**CONSENT DECREE**

**I. BACKGROUND**

WHEREAS, the FCX-Statesville Superfund Site is located approximately 1.5 miles west of downtown Statesville, Iredell County, North Carolina, at the intersection of Phoenix Street and West Front Street (the "Site");

WHEREAS, on February 21, 1990, the United States Environmental Protection Agency ("EPA") listed the FCX-Statesville Superfund Site on the National Priorities List ("NPL"), and the Site, at that time, consisted of a 5.5 acre parcel of land to the south of the Norfolk-Southern Railroad spur;

WHEREAS, the 5.5 acre parcel was operated by FCX Corporation as an agricultural chemical formulation plant (the "pesticide plant");

WHEREAS, in 1993, EPA expanded the NPL Site to include, in addition to the pesticide plant, a 15 acre parcel north of the Norfolk-Southern Railroad spur that was operated as a textile manufacturing plant by Burlington Industries, Inc. (the "textile plant");

WHEREAS, EPA divided its response actions for the expanded Site into three administrative operable units ("OUs");

WHEREAS, Operable Unit 1 ("OU 1") consists of hazardous substance contaminated groundwater at, and to the south of, the pesticide plant, which contamination is addressed in a Record of Decision ("ROD") dated September 27, 1993, and an Amendment thereto, dated September 11, 2006, which deleted volatile organic compounds ("VOCs") as contaminants of concern ("COCs") from the OU 1 ROD making the remedy selection at Operable Unit 3 as the sole means by which VOC groundwater contamination will be addressed Site-wide and making the hazardous substance contamination addressed in OU 1 limited to that originating at the pesticide plant;

WHEREAS, Operable Unit 2 ("OU 2") consists of pesticide contaminated soils at the pesticide plant, which contamination is addressed in a Record of Decision dated November 22, 1994;

WHEREAS, Operable Unit 3 ("OU 3") consists of the areal extent of all contamination originating and emanating from the textile plant, including contamination extending beyond the property line of the textile plant to the north and to the south of the textile plant, which contamination is addressed in a Record of Decision dated September 30, 1996, and an Explanation of Significant Difference dated September 8, 2006;

WHEREAS, on December 18, 1997, the United States of America ("United States") commenced an action under Section 107 of the Comprehensive Environmental Response, Compensation and Liability Act, as amended, ("CERCLA"), 42 U.S.C. § 9607, against El Paso Natural Gas Company, Beaunit Corporation and Burlington Industries, Inc., and simultaneously lodged a consent decree (the "Consent Decree") with the United States District Court for the Western District of North Carolina resolving claims relating to OU 3 of the Site;

WHEREAS, this Court entered the Consent Decree on March 29, 1998;

WHEREAS, on April 8, 2004, the State of North Carolina filed a civil action (Case No. 5:04 CV 38) on behalf of William G. Ross, Jr., Secretary of the North Carolina Department of Environment and Natural Resources, against El Paso Natural Gas Company, Beaunit Corporation and Beaunit Fabrics Corporation in this Court under Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, for the recovery of costs that had been incurred and were to be incurred in connection with the Site, except for OU 3 costs;

WHEREAS, on April 12, 2004, the United States, on behalf of the Administrator of the EPA, also filed a civil action (Case No. 5:04 CV 42) against El Paso Natural Gas Company, Beaunit Corporation and Beaunit Fabrics Corporation pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, seeking reimbursement of response costs that had been incurred and were to be incurred in connection with the Site, except for OU 3 costs;

WHEREAS, the cases filed by the State of North Carolina (Case No. 5:04 CV 38) and the United States (Case No. 5:04 CV 42) in 2004 were consolidated by this Court on March 18, 2005;

WHEREAS, by entering into this Consent Decree, no Party admits any liability arising

out of the transactions or occurrences alleged in the complaints, counterclaims, and cross-claims;

WHEREAS, the United States has reviewed the Financial Information submitted by Beaunit Corporation (“Settling Defendant”) to determine whether Settling Defendant is financially able to pay response costs incurred and to be incurred at the Site. Based upon this Financial Information, the United States has determined that Settling Defendant is able to pay \$846.54;

WHEREAS, the United States and Settling Defendant agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest;

THEREFORE, with the consent of the Parties to this Decree, it is ORDERED, ADJUDGED, AND DECREED:

## **II. JURISDICTION**

7. The total amount to be paid pursuant to Paragraph 4 shall be deposited in the EPA Hazardous Substance Superfund.

#### **VI. FAILURE TO COMPLY WITH CONSENT DECREE**

8. Interest on Late Payments. If the Settling Defendant fails to make any payment under Section V (Payment of Response Costs) by the required due date, Interest shall continue to accrue on the unpaid balance through the date of payment.

9. Stipulated Penalty.

a. If the amount due under Section V (Payment of Response Costs) is not paid by the required date, Settling Defendant shall be in violation of this Consent Decree and shall pay, as a stipulated penalty, in addition to the Interest required by Paragraph 8, \$500.00 per violation per day that such payment is late.

b. Stipulated penalties are due and payable within 30 days of the date of the demand for payment of the penalties by EPA. All payments to EPA under this Paragraph shall be identified as "Stipulated Penalties" and shall be made by certified or cashier's check made payable to "EPA Hazardous Substance Superfund." The check, or a letter accompanying the check, shall reference the name and address of the party making payment, the Site name, the EPA Region and

All penalties shall begin to accrue on the day after payment is due and shall continue to accrue through the date of payment. Nothing herein shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

10. If the United States brings an action to enforce this Consent Decree, Settling Defendant shall reimburse the United States for all costs of such action, including but not limited to, costs of attorney time.

11. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of Settling Defendant's failure to comply with the requirements of this Consent Decree.

12. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have

accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse Settling Defendant from payment as required by Section V (Payment of Response Costs) or from performance of any other requirements of this Consent Decree.

#### **VII. COVENANT NOT TO SUE BY PLAINTIFF**

13. Except as specifically provided in Section VIII (Reservation of Rights by United States), the United States covenants not to sue or to take administrative action against Settling Defendant pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. §§ 9606 and 9607(a), with regard to the Site. This covenant not to sue shall take effect upon receipt by EPA of all payments required by Section V (Payment of Response Costs) and any amount due under Section VI (Failure to Comply with Consent Decree). This covenant not to sue is conditioned upon the satisfactory performance by Settling Defendant of its obligations under this Consent Decree. This covenant not to sue is also conditioned upon the veracity and completeness of the Financial Information provided to the United States by Settling Defendant. If the Financial Information is subsequently determined by the United States to be false or, in any material respect, inaccurate, Settling Defendant shall forfeit all payments made pursuant to this Consent Decree and this covenant not to sue and the contribution protection in Paragraph 20 shall be null and void. Such forfeiture shall not constitute liquidated damages and shall not in any way foreclose the United States' right to pursue any other causes of action arising from Settling Defendant's false or materially inaccurate information. This covenant not to sue extends only to Settling Defendant and does not extend to any other person.

### **VIII. RESERVATIONS OF RIGHTS BY UNITED STATES**

14. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendant with respect to all matters not expressly included within the Covenant Not to Sue by Plaintiff in Paragraph 13. Notwithstanding any other provision of this Consent Decree, the United States reserves all rights against Settling Defendant with respect to:

a. liability for failure of Settling Defendant to meet a requirement of this Consent Decree;

b. criminal liability;

c. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;

d. liability, based upon Settling Defendant's ownership or operation of the Site, or upon Settling Defendant's transportation, treatment, storage, disposal, or the arrangement for the transportation, treatment, storage, or disposal, of a hazardous substance or a solid waste at or in connection with the Site, after signature of this Consent Decree by Settling Defendant; and

e. liability arising from the past, present, or future disposal, release or threat of release of a hazardous substance, pollutant, or contaminant outside of the Site.

15. Notwithstanding any other provision of this Consent Decree, the United States reserves, and this Consent Decree is without prejudice to, the right to reinstitute or reopen this action, or to commence a new action seeking relief other than as provided in this Consent Decree, if the Financial Information provided by Settling Defendant, or the financial certification made by Settling Defendant in Paragraph 23, is false or, in an material respect, inaccurate.

**IX. COVENANT NOT TO SUE BY SETTLING DEFENDANT**

16. Settling Defendant covenants not to sue and agrees not to assert any claims or causes of action against the United States or its contractors or employees, with respect to the Site or this Consent Decree, including but not limited to:

a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claim arising out of the response actions at or in connection with the Site, including any claim under the United States Constitution, the Constitution of the State of North Carolina, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law; or

c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to the Site.

Except as provided in Paragraph 18 (Waiver of Claims) and Paragraph 22 (Waiver of Claim-Splitting Defenses), these covenants not to sue shall not apply in the event the United States brings a cause of action or issues an order pursuant to the reservations set forth in Paragraph 14 (c)-(e), but only to the extent that Settling Defendant's claims arise from the same response action or response costs that the United States is seeking pursuant to the applicable reservation.

17. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

18. Settling Defendant agrees not to assert any CERCLA claims or causes of action that it may have for all matters relating to the Site, including for contribution, against any other person. This waiver shall not apply with respect to any defense, claim, or cause of action that Settling Defendant may have against any person if such person asserts a claim or cause of action relating to the Site against Settling Defendant.

**X. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION**

19. Except as provided in Paragraph 18, nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. The preceding sentence shall not be construed to waive or nullify any rights that any person not a signatory to this Consent Decree may have under applicable law. Except as provided in Paragraph 18, the Parties expressly reserve any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action that they may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

20. The Parties agree, and by entering this Consent Decree this Court finds, that Settling Defendant is entitled, as of the date of entry of this Consent Decree, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), for "matters addressed" in this Consent Decree. The "matters addressed" in this Consent Decree are all response actions taken or to be taken and all response costs incurred or to be incurred, at or in connection with the Site, by the United States or any other person. The "matters addressed" in this Consent Decree do not include those response costs or response actions as to which the United States has reserved its rights under this Consent Decree (except

for claims for failure to comply with this Consent Decree), in the event that the United States asserts rights against Settling Defendant coming within the scope of such reservations.

21. Settling Defendant agrees that, with respect to any suit or claim for contribution brought by it for matters related to this Consent Decree, it will notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Settling Defendant also agrees that, with respect to any suit or claim for contribution brought against it for matters related to this Consent Decree, it will notify EPA and DOJ in writing within ten (10) days of service of the complaint or claim upon it. In addition, the Settling Defendant shall notify EPA and DOJ within ten (10) days of service or receipt of any Motion for Summary Judgment, and within ten (10) days of receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

22. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenant Not to Sue by Plaintiff set forth in Section VII.

## **XI. CERTIFICATION**

23. Settling Defendant hereby certifies that, to the best of its knowledge and belief, after thorough inquiry, it has:

a. not altered, mutilated, discarded, destroyed or otherwise disposed of any records, reports, or information relating to its potential liability regarding the Site since notification of potential liability by the United States or the filing of suit against it regarding the Site and that it has fully complied with any and all EPA requests for information regarding the Site and the Settling Defendant's financial circumstances pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6972; and

b. submitted to the United States Financial Information that fairly, accurately, and materially sets forth its financial circumstances, and that those circumstances have not materially changed between the time the Financial Information was submitted to the United States and the time Settling Defendant executes this Consent Decree.

## **XII. NOTICES AND SUBMISSIONS**

24. Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing.
