I. BACKGROUND

A. The United States of America (“United States”), on behalf of the Administrator of the United States Environmental Protection Agency (“EPA”), and the State of South Dakota (“State”), on behalf of the Secretary of the South Dakota Department of Environment and Natural Resources (“DENR”), filed a complaint in this matter pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA”), 42 U.S.C. § 9607, and Chapter 34A-12 of South Dakota Codified Law (“SDCL”), seeking reimbursement of response costs incurred or to be incurred for response actions taken or to be taken at or in connection with the release or threatened release of hazardous substances at the Gilt Edge Mine Site in Lawrence County, South Dakota (the “Site”).

B. In response to the release or threatened release of hazardous substances at or from the Site, EPA and the State undertook response actions at the Site pursuant to Section 104 of CERCLA, 42 U.S.C. § 9604, and will undertake additional response actions in the future.

C. In performing response action at the Site, EPA and the State have incurred response costs and will incur additional response costs in the future.

D. The United States and the State allege that CoCa Mines Inc. (“CoCa”) and Thomas E. Congdon, the “Settling Defendants” (as defined below) are responsible parties pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), and Chapter 34A-12-12 of SDCL, and are jointly and severally liable for response costs incurred and to be incurred at the Site.

E. The United States has reviewed the Financial Information, including relevant insurance policies and documents, submitted by CoCa to determine whether the Defendant is financially able to pay response costs incurred and to be incurred at the Site. Based upon this

Financial Information, the United States has determined that CoCa has limited financial ability to pay for response costs incurred and to be incurred at the Site.

F. Thomas E. Congdon previously held the position of President and Chief Executive Officer of CoCa, was a shareholder of CoCa, and served as both general partner and limited partner of Congdon and Carey Ltd. No. 3 (“C&C 3”), a Colorado Limited Partnership. Thomas E. Congdon also served as both general partner and limited partner of Congdon and Carey Ltd. No. 5 (“C&C 5”), a Colorado Limited Partnership.

G. The Settling Defendants do not admit any liability to Plaintiffs, to each other, or any third party arising out of the transactions or occurrences that are alleged or could have been alleged in the complaint, or arising out of any conditions related to the Site, nor do they acknowledge that any release or threatened release of hazardous substances has occurred at or from the Site, or that any such claimed release or threatened release constitutes an imminent or substantial endangerment to the public health or welfare or the environment.

H. The United States, the State, and Settling Defendants (collectively, the “Parties”) agree that this Consent Decree shall not be admissible in any judicial or administrative proceeding, except in a proceeding to enforce this Consent Decree or in CoCa’s litigation against Travelers, as evidence of Settling Defendants’ liability for the Matters Addressed, as defined below.

I. The Parties agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

NOW, THEREFORE, it is hereby ORDERED, ADJUDGED, AND DECREED:

II. JURISDICTION

Solely for the purposes of this Consent Decree and the underlying complaint, Settling Defendants waive all objections and defenses that they may have to jurisdiction of the Court or to venue in this District. dollars (\$10,300,000). The payment shall be made within 60 days after the Effective Date and, if timely paid, shall include no Interest.

6. Of the cash amount to be paid by Settling Defendants pursuant to Paragraph 5 (Cash Payment by Settling Defendants for Response Costs), the sum of nine million two hundred seventy thousand dollars (\$9,270,000) shall be paid to EPA and deposited into the Gilt Edge Special Account, to be retained and used by EPA to fund future response actions at or in connection with the Site, or to be transferred by EPA to the EPA Hazardous Substance Superfund. Of the cash amount to be paid by Settling Defendants pursuant to Paragraph 5 (Cash Payment by Settling Defendants for Response Costs), the sum of one million thirty thousand dollars (\$1,030,000) shall be paid to the State.

7. Insurance Claims and Recovered Amounts for Response Costs.

a. CoCa has made a claim pursuant to the Insurance Policy, against Travelers for defense and indemnity for the claims asserted by the United States and the State against CoCa, which claims are resolved in this Consent Decree. Travelers has failed and refused to satisfy its defense and indemnity obligations to CoCa under the Insurance Policy. To the extent litigation is necessary, CoCa shall file a lawsuit against Travelers seeking to recover on Travelers' indemnity obligation under the Insurance Policy to CoCa for the payment of response costs. CoCa shall exercise good faith in the prosecution of and in any settlement of the lawsuit against Travelers. CoCa shall be responsible for the conduct of the litigation, including the costs and attorneys' fees incurred therewith. CoCa's exercise of "good faith" under this paragraph shall mean that: (i) CoCa will file and serve a lawsuit on Travelers and will diligently prosecute that lawsuit with counsel experienced in insurance coverage litigation and that CoCa is entitled to rely on the advice and counsel as to the most effective and efficient means of prosecuting the

insurance coverage action, including advice on settlement, discovery and trial strategy in and pursuing claims for coverage under the Insurance Policy; and (ii) CoCa shall have the right to negotiate and litigate to obtain a reasonable resolution of the lawsuit given the entirety of the facts and circumstances, coverage issues and defenses, availability of witnesses and other strategic decisions in the judgment of coverage counsel and CoCa. The remaining 50% shall be retained by CoCa.

iii. CoCa shall be entitled to recover and retain its costs of litigation, including attorneys' fees and costs incurred, as well as any monies paid by Travelers for breach of its duty to defend CoCa.

b. The United States and the State agree that they are not third-party beneficiaries to the Insurance Policy or any insurance policy issued by CoCa's Insurers, and agree not to assert any claims relating to the Site based on the Insurance Policy or any insurance policy issued by CoCa's Insurers.

c. CoCa is solely responsible for the obligations under Paragraph 7 (Insurance Claims and Recovered Amounts for Response Costs), and Congdon shall not be held responsible or liable for any failure by CoCa to comply with any obligations under Paragraph 7 (Insurance Claims and Recovered Amounts for Response Costs), including for any interest, penalties, costs, or attorney fees that may be incurred or awarded as a result.

The payment instructions provided by the FLU shall include a Consolidated Debt Collection System ("CDCS") number, which shall be used to identify all payments required to be made in accordance with this Consent Decree. required due date, Interest shall accrue on the unpaid balance from the Effective Date through the date of payment. If CoCa fails to make any payment required by Section VI, Paragraph 7 (Insurance Claims and Recovered Amounts for Response Costs) by any required due date, Interest shall accrue on the unpaid balance from such due date through the date of the payment.

11. Stipulated Penalty.

a. Such notice shall reference the CDCS Number, Site/Spill ID Number 08-7T, and DOJ Case

d. Penalties shall accrue as provided in this Section regardless of whether EPA or
the State has notified Settling Defendants of the violation or made a demand for payment, but
need only be paid upon demand. All penalties shall begin to accrue on the day after payment is
due and shall continue to accrue through the date of payment. Nothing in this Consent Decree
shall prevent the simultaneous accrual of separate penalties for separate violations of this
Consent Decree.

12. If the United States or the State brings an action to enforce this Consent Decree,
Settling Defendants shall reimburse the United States and the State for all costs of such action,
including but not limited to costs of attorney time.

13. Payments made under this Section shall be in addition to any other remedies or
sanctions available to Plaintiffs by virtue of a Settling Defendant(s)' failure to comply with the
requirements of this Consent Decree.

14. The obligations of Settling Defendants to pay amounts owed the United States and
the State under Paragraph 5 (Cash Payment by Settling Defendants for Response Costs) and/or
any stipulated penalty or Interest incurred as a result of Settling Defendants' failure to comply
with Paragraph 5 (Cash Payment by Settling Defendants for Response Costs) are joint and
several. In the event of the insolvency of a Settling Defendant or other failure by a Settling

Defendant to make such payments, the remaining Settling Defendant shall be responsible for such payments.

15. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse a Settling Defendant(s) from payment as required by Section VI (Payment of Response Costs) or from performance of any other requirements of this Consent Decree.

VIII. COVENANTS BY PLAINTIFFS

16. Except as specifically provided in Section IX (Reservation of Rights by Plaintiffs), the Plaintiffs covenant not to sue or to take administrative action against Settling Defendants relating to the Site pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a); the United States covenants not to sue or take administrative action against Settling Defendants relating to the Site pursuant to Section 106 of CERCLA, 42 U.S.C. § 9606; and the State covenants not to sue or take administrative action against Settling Defendants relating to the Site pursuant to Chapters 34A-10-1 or 34A-12-10 to -12 of SDCL. With respect to past, present and future liability, these covenants shall take effect upon the Effective Date. These covenants are conditioned upon the satisfactory performance by Settling Defendants of their respective obligations under this Consent Decree, including but not limited to, payment of all amounts due under Section VI (Payment of Response Costs), and any Interest or stipulated penalties due thereon under Section VII (Failure to Comply with Consent Decree). These covenants also are conditioned upon the completeness of the Financial Information provided by CoCa. These covenants extend only to Settling Defendants and do not extend to any other person; provided,

however, that these covenants not to sue (and the reservations thereto) shall also apply to Settling Defendants' Related Parties.

IX. RESERVATION OF RIGHTS BY PLAINTIFFS

17. The United States and the State reserve, and this Consent Decree is without prejudice to, all rights against Settling Defendants with respect to all matters not expressly included within Section VIII (Covenants by Plaintiffs). Notwithstanding any other provision of this Consent Decree, the United States and the State reserve all rights against Settling Defendants with respect to:

- a. liability for failure of Settling Defendants to meet a requirement of this Consent Decree;
- b. criminal liability;
- c. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;
- d. liability based on the ownership or operation of the Site by Settling Defendants when such ownership or operation commences after signature of this Consent Decree by Settling Defendants;
- e. liability based on Settling Defendants' transportation, treatment, storage, or disposal, or arrangement for transportation, treatment, storage, or disposal of a hazardous substance or a solid waste at or in connection with the Site, after signature of this Consent Decree by Settling Defendants; and
- f. liability arising from the past, present, or future disposal, release or threat of release of a hazardous substance, pollutant, or contaminant not associated with the Site.

18. Notwithstanding any other provision of this Consent Decree, the United States reserves, and this Consent Decree is without prejudice to, the right to reinstate or reopen this action, or to commence a new action against CoCa seeking relief other than as provided in this Consent Decree if CoCa withheld from disclosure material financial information responsive to the information requests listed in the definition of “Financial Information.” The United States reserves, and this Consent Decree is without prejudice to, the right to commence a new action against Hecla seeking relief other than as provided in this Consent Decree if Hecla withheld from disclosure material financial information responsive to the information requests listed in the definition of “Financial Information.”

X. COVENANTS BY SETTLING DEFENDANTS

19. Settling Defendants covenant not to sue and agree not to assert any claims or causes of action against the United States or the State, or their contractors or employees, with respect to the Site and this Consent Decree, including but not limited to:

a. any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

c. any claim pursuant to Sections 107 or 113 of CERCLA, 42 U.S.C. §§ 9607 or 9613, Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or state law relating to the Site.

20. Except as provided in Paragraph 26 (res judicata and other defenses), these covenants shall not apply in the event the United States or the State brings a cause of action or issues an order pursuant to any of the reservations in Section IX (Reservations of Rights by Plaintiffs), other than in Paragraph 17.a (liability for failure to meet a requirement of the Consent Decree) or 17.b (criminal liability), but only to the extent that Settling Defendants' claims arise from the same response action or response costs that the United States or the State is seeking pursuant to the applicable reservation.

21. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

XI. EFFECT OF SETTLEMENT/CONTRIBUTION

22. Nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Section X (Covenants by Settling Defendants), each of the Parties expressly reserves any and all rights (including, but not limited to, under Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action that it may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Consent Decree diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

23. The Parties agree, and by entering this Consent Decree this Court finds, that this Consent Decree constitutes a judicially approved settlement for purposes of Section 113(f)(2) of

CERCLA, 42 U.S.C. § 9613(f)(2), and that Settling Defendants are entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, or as may be otherwise provided by law, for “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are all response actions taken or to be taken and all response costs incurred or to be incurred, at or in connection with the Site, by the United States, the State or any other person. However, if the United States or the State exercises rights under the reservations in Section IX (Reservations of Rights by Plaintiffs) other than in Paragraph 17.a (liability for failure to meet a requirement of the Consent Decree) or 17.b (criminal liability), the “matters addressed” in this Consent Decree will no longer include those response costs or response actions that are within the scope of the exercised reservation.

24. The Parties further agree, and by entering this Consent Decree this Court finds, that the complaint filed by the United States and the State in this action is a civil action within the meaning of Section 113(f)(1) of CERCLA, 42 U.S.C. § 9613(f)(1), and that this Consent Decree constitutes a judicially-approved settlement pursuant to which Settling Defendants have, as of the Effective Date, resolved their liability to the United States and the State within the meaning of Section 113(f)(3)(B) of CERCLA, 42 U.S.C. § 9613(f)(3)(B).

25. Each Settling Defendant shall, with respect to any suit or claim brought by it for matters related to this Consent Decree, notify DOJ, EPA, and the State in writing no later than sixty (60) days prior to the initiation of such suit or claim. Each Settling Defendant also shall, with respect to any suit or claim brought against it for matters related to this Consent Decree, notify DOJ, EPA, and the State in writing within ten (10) days after service of the complaint or claim upon it. In addition, each Settling Defendant shall notify DOJ, EPA, and the State within ten (10) days after service or receipt of any Motion for Summary Judgment, and within ten (10)

days after receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

26. In any subsequent administrative or judicial proceeding initiated by the United States or the State for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendants shall not assert, and may not maintain, any defense or claim against the United States or the State based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States or the State in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants by Plaintiffs set forth in Section VIII (Covenants by Plaintiffs).

XII. RETENTION OF RECORDS AND CERTIFICATION

27. Until thirty (30) days after Settling Defendants have complied with their payment obligations under Section VI (Payment of Response Costs), each Settling Defendant shall preserve and retain all non-identical copies of records, reports, or other information including any that may be in electronic form (hereinafter referred to as "Records") now in its possession or control, or that come into its possession or control, that relate in any manner to their liability under CERCLA with respect to the Site, or the liability of any person under CERCLA with respect to the Site, regardless of any corporate retention policy to the contrary.

28. For a period of three (3) years after the conclusion of the document retention period in the preceding paragraph, Settling Defendants shall notify DOJ, EPA, and the State at least ninety (90) days prior to the destruction of any such Records and, upon request by DOJ, EPA, or the State, and subject to any claim of confidentiality or privilege, Settling Defendants shall deliver any such Records to DOJ, EPA, or the State. Settling Defendants may assert that all or part of certain Records are confidential or privileged under the attorney-client privilege or any

other privilege or doctrine recognized by federal law, including business confidentiality pursuant to Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7) and 40 C.F.R. § 2.203(b). If Settling Defendants assert such a privilege, they shall provide Plaintiffs with the following: (i) the title of the Record; (ii) the date of the Record; (iii) the name, title, affiliation (e.g., company or firm), and address of the author of the Record; (iv) the name and title of each addressee and recipient; (v) a description of the subject of the Record; and (vi) the privilege asserted. If a claim of privilege applies only to a portion of a Record, the record shall be provided to the United States in redacted form to mask the privileged portion only. Settling Defendants shall retain all records that they claim to be privileged until the United States has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in the Settling Defendants' favor. However, no Records created or generated pursuant to the requirements of this Consent Decree shall be withheld on the grounds that they are privileged or confidential.

29. a. Each Settling Defendant certifies individually that, to the best of its knowledge and belief, after thorough inquiry, it has: (i) not altered, mutilated, discarded, destroyed or otherwise disposed of any Records (other than identical copies) relating to its potential liability regarding the Site since notification of potential liability by the United States; (ii) that it has fully complied with any and all EPA requests for information regarding the Site pursuant to Section 104(e) of CERCLA, 42 U.S.C. § 9604(e); and

b. CoCa certifies that, to the best of its knowledge and belief, after thorough inquiry, it has submitted Financial Information that it believes fairly, accurately, and materially sets forth its financial circumstances, and that those circumstances have not materially changed between the time the Financial Information was submitted and the time that CoCa executes this Consent Decree.

XIII. NOTICES AND SUBMISSIONS

30. Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. Except as otherwise provided, notice to a Party by email (if that option is provided below) or by regular mail in accordance with this Section satisfies any notice requirement of the Consent Decree regarding such Party.

XIV. RETENTION OF JURISDICTION

31. This Court shall retain jurisdiction over this matter for the purpose of interpreting and enforcing the terms of this Consent Decree.

XV. INTEGRATION/APPENDICES

32. This Consent Decree and its appendix constitute the final, complete, and exclusive agreement and understanding among the Parties with respect to the settlement embodied in this Consent Decree. The Parties acknowledge that there are no representations, agreements, or understandings relating to the settlement other than those expressly contained in this Consent Decree. The following appendix is attached to and incorporated into this Consent Decree: Appendix A is the map of the Gilt Edge Mine Superfund Site.

XVI. LODGING AND OPPORTUNITY FOR PUBLIC COMMENT

33. This Consent Decree shall be lodged with the Court for a period of not less than thirty (30) days for public notice and comment. The United States reserves the right to withdraw or withhold its consent if the comments regarding the Consent Decree disclose facts or considerations that indicate that this Consent Decree is inappropriate, improper, or inadequate. Settling Defendants consent to the entry of this Consent Decree without further notice.

34. If for any reason this Court should decline to approve this Consent Decree in the form presented, this Consent Decree is voidable at the sole discretion of any Party and the terms of the Consent Decree may not be used as evidence in any litigation between the Parties.

XVII. SIGNATORIES/SERVICE

35. The undersigned representative of each Settling Defendant and each undersigned representative of the Plaintiffs certifies that he or she is authorized to enter into the terms and conditions of this Consent Decree and to execute and bind legally such Party to this document.

36. Each Settling Defendant agrees not to oppose entry of this Consent Decree by this Court or to challenge any provision of this Consent Decree, unless the United States has notified Settling Defendants in writing that it no longer supports entry of the Consent Decree.

37. The Settling Defendants shall each identify on their signature pages the name and address of one agent who is authorized to accept service of process by mail on behalf of Settling Defendants with respect to all matters arising under or relating to this Consent Decree. Settling Defendants each agree to accept service in that manner and to waive the formal service requirements set forth in Rule 4 of the Federal Rules of Civil Procedure and any applicable local rules of this Court, including but not limited to, service of a summons. The Parties agree that Settling Defendants need not file an answer to the complaint in this action unless or until the Court expressly declines to enter this Consent Decree.

XVIII. FINAL JUDGMENT

38. Upon entry of this Consent Decree by the Court, this Consent Decree shall constitute the final judgment between and among the United States, the State, and Settling Defendants. The Court finds that there is no just reason for delay and therefore enters this judgment as a final judgment under Fed. R. Civ. P. 54 and 58.
