XXV. 26 U.S.C. SECTION 162(f)(2)(A)(ii) IDENTIFICATION 40

WHEREAS, Plaintiff, the United States of America, on behalf of the United States Environmental Protection Agency ("EPA"), has filed a Complaint in this action concurrently with this Consent Decree alleging that Defendant The Kroger Co. ("Defendant") violated Section 608 of the Clean Air Act ("CAA" or the "Act"), 42 U.S.C. § 7671g, and the Recycling and Emission Reduction regulations promulgated thereunder at 40 C.F.R. Part 82, Subpart F, 58 Fed. Reg. 28,660, 28,712 (May 14, 1993), and under EPA's amended Subpart F Regulations, 81 Fed. Reg. 82,272 (Nov. 18, 2016), effective January 1, 2019 (both sets of regulations are referred to herein as the "Subpart F Regulations"). The Complaint alleges that Defendant, as defined below, violated both the 1993 and 2016 versions of the Subpart F Regulations.

WHEREAS, the Complaint alleges that Defendant has failed to comply with the leak repair and/or recordkeeping requirements of the Subpart F Regulations at certain Stores and Manufacturing Facilities identified in the Complaint.

WHEREAS, on August 8, 2018, EPA issued an information request ("First Information Request") to Defendant pursuant to Section 114 of the Act, 42 U.S.C. § 7414, requesting a list of all comfort cooling appliances, commercial refrigeration appliances, and industrial process refrigeration units normally containing more than 50 pounds of a Class I or Class II ozone-depleting substance at all stores or manufacturing facilities owned or operated by Defendant or any of its subsidiaries.

WHEREAS, on October 9, 2018, Defendant submitted its responses to the First Information Request, identifying 4,646 comfort cooling appliances, commercial refrigeration appliances, and industrial process refrigeration units that used refrigerants regulated under the Subpart F Regulations.

WHEREAS, on March 4, 2019, EPA issued a second information request pursuant to Section 114 of the Act, 42 U.S.C. § 7414, requesting detailed information regarding the addition of Class I or Class II ozone-depleting substances during a four and one half year period, the refrigerant leak rate and formula used, and retrofit or retirement plans for 120 stores and manufacturing facilities ("Second Information Request").

WHEREAS, on April 14, 2019, and June 11, 2019, Defendant submitted its responses to the Second Information Request for the manufacturing facilities and stores, respectively. This response included over 6,000 records.

WHEREAS, on April 7, 2020, pursuant to Section 113(a) of the Act, 42 U.S.C. § 7413(a)(1), EPA issued a Finding of Violation ("FOV") asserting that Defendant committed violations of the Subpart F Regulations at its stores and manufacturing facilities.

WHEREAS, since issuance of the FOV, the Parties exchanged information on the nature and extent of the alleged violations cited in the FOV.

WHEREAS, pursuant to an agreement with EPA, Defendant submitted a self-evaluation plan to conduct a comprehensive evaluation of refrigeration appliances at all grocery stores under its ownership and/or operation, including those at which the violations alleged in the Complaint occurred ("Self-Evaluation").

WHEREAS, based on the Self-Evaluation, on November 20, 2020, Defendant submitted to EPA a report identifying proposed response actions for each appliance at the evaluated grocery stores that had eight or more leaks within the 24-month period from July 1, 2018, to June 30, 2020, and for which the cumulative leak rate was greater than 75% during that period ("Self-Evaluation Report").

WHEREAS, prior to lodging of this Consent Decree, Defendant completed each of the response actions identified in the Self-Evaluation Report.

WHEREAS, Defendant does not admit any liability to the United States arising out of the transactions or occurrences alleged in the Complaint.

WHEREAS, the Parties recognize, and the Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith and will avoid litigation between the Parties and that this Consent Decree is fair, reasonable, and in the public interest.

NOW, THEREFORE, before the taking of any testimony, without the adjudication of or admission of any issue of fact or law except as provided in Section I, and with the consent of the Parties,

IT IS HEREBY ADJUDGED, ORDERED, AND DECREED as follows:

31. This certification requirement does not apply to emergency or similar notifications where compliance would be impractical.

32. The reporting requirements of this Consent Decree do not relieve Defendant of any reporting obligations required by the Act or implementing regulations, or by any other federal, state, or local law, regulation, permit, or other requirement.

33. Any information provided pursuant to this Consent Decree may be used by the United States in any proceeding to enforce the provisions of this Consent Decree and as otherwise permitted by law.

34. Defendant may request an extension of the deadline for a period not greater than 30 Days for submitting a Compliance Report pursuant to this Section, provided that such request

is made 30 Days prior to the deadline for submission of the Compliance Report. The United States may grant or reject the request in its sole unreviewable discretion.

IX. STIPULATED PENALTIES

35. Defendant shall be liable for stipulated penalties to the United States for violations of this Consent Decree as specified below, unless excused under Section X (Force Majeure). A violation includes failing to perform any obligation required by the terms of this Consent Decree, including any work plan or schedule approved under this Consent Decree, according to all applicable requirements of this Consent Decree and within the specified time schedules established by or approved under this Consent Decree.

36. Late Payment of Civil Penalty. If Defendant fails to pay the civil penalties required to be paid under Section V of this Consent Decree (Civil Penalty) when due, Defendant shall pay a stipulated penalty of $2,500 for each Day that the payment is late.

37. Compensatory Conversions. If Defendant fails to implement a Compensatory Conversion as required by Paragraph 19 of this Consent Decree, Defendant shall pay a stipulated penalty of $35,000 for each such Conversion.

38. Refrigerant Compliance Management Plan. For each failure to implement any requirement of the Refrigerant Compliance Management Plan as required by Section VI.A. Defendant shall pay a stipulated penalty of $500 per violation of each requirement per appliance per Day until the date on which the applicable requirement is satisfied.

39. Company-Wide Average ODS Leak Rate. If Defendant fails to achieve a Company-Wide Average ODS Leak Rate that is at or below 9.5 percent for each RY that the Consent Decree is in operation in accordance with Section VI.B, Defendant shall pay stipulated penalties as set forth below. Penalties for a Second Violation are applicable whenever Defendant

violates the ODS Leak Rate if it has violated the ODS Leak Rate for a previous RY, and Penalties for a Third or Subsequent Violation are applicable whenever Defendant has violated the ODS Leak Rate for two or more RYs.

Company-Wide Average ODS Leak Rate	First Violation	Second Violation	Third and Each Subsequent Violation
Above 9.5 percent, but at or below 11.5 percent.	$175,000	$350,000	$550,000
Above 11.5 percent, but at or below 13.5 percent	$275,000	$550,000	$700,000
Above 13.5 percent	$425,000	$700,000	$1,300,000

40. Advanced Refrigerants. If Defendant uses a Refrigerant other than an Advanced Refrigerant in any Covered Refrigeration Equipment that is a New Commercial Refrigeration Appliance, New Industrial Process Refrigeration Unit, Major Remodel, or Additional Upgrade, in violation of Paragraphs 20-22, Defendant shall pay a stipulated penalty of $1,000 per Day of Refrigerant use in each such Covered Refrigeration Equipment.

41. Reporting Requirements. The following stipulated penalties shall accrue per violation per Day for each violation of the reporting requirements of Section VIII (Reporting Requirements), unless an extension of the deadline is requested from EPA in advance of the deadline pursuant to Paragraph 34 and EPA grants such request:

Penalty Per Violation Per Day	Period of Noncompliance
$ 500	1st through 14th Day
$ 750	15th through 30th Day
$1,000	31st Day and beyond

42. If Defendant fails to comply with any other Consent Decree term, condition, or requirement that does not have a specific stipulated penalty set forth in Paragraphs 36 through 41 above, Defendant shall pay a stipulated penalty of $500 per Day.

43. Stipulated penalties under this Section shall begin to accrue on the Day after performance is due or on the Day a violation occurs, whichever is applicable, and shall continue to accrue until performance is satisfactorily completed or until the violation ceases. Stipulated penalties shall accrue simultaneously for separate violations of this Consent Decree.

44. Defendant shall pay any stipulated penalty within 30 Days of receiving the United States' written demand.

45. The United States may, in the unreviewable exercise of its discretion, reduce or waive stipulated penalties otherwise due it under this Consent Decree.

46. Stipulated penalties shall continue to accrue as provided in Paragraph 43 during any Dispute Resolution, but need not be paid until the following:

a. If the dispute is resolved by agreement of the Parties or by a decision of EPA that is not appealed to the Court, Defendant shall pay accrued penalties determined to be owing, together with interest, to the United States within 30 Days of the effective date of the agreement or the receipt of EPA's decision or order.

b. If the dispute is appealed to the Court and the United States prevails in whole or in part, Defendant shall pay all accrued penalties determined by the Court to be owing, together with interest, within 60 Days of receiving the Court's decision or order, except as provided in Paragraph 46 c., below.

c. If any Party appeals the District Court's decision, Defendant shall pay all accrued penalties determined to be owing, together with interest, within 15 Days of receiving the final appellate court decision.

47. Obligations Prior to the Effective Date. Upon the Effective Date, the stipulated penalty provisions for violations of Paragraph 29 (related to reporting requirements if there is an

immediate threat to the public health or welfare or the environment) and Paragraph 38 (related to failure to implement any requirement of the Refrigerant Compliance Management Plan as required by Section VI.A) shall be retroactively enforceable with regard to any and all violations of duties Defendant is required to perform as of the Date of Lodging but prior to the Effective Date, provided that stipulated penalties that may have accrued prior to the Effective Date may not be collected unless and until this Consent Decree is entered by the Court.

48. Defendant shall pay stipulated penalties owing to the United States in the manner set forth in Paragraph 10 and with the confirmation notices required by Paragraph 11, except that the transmittal letter shall state that the payment is for stipulated penalties and shall state for which violation(s) the penalties are being paid.

49. If Defendant fails to pay stipulated penalties according to the terms of this Consent Decree, Defendant shall be liable for interest on such penalties, as provided for in 28 U.S.C. § 1961, accruing as of the date payment became due. Nothing in this Paragraph 49 shall be construed to limit the United States from seeking any remedy otherwise provided by law for Defendant's failure to pay any stipulated penalties.

50. The payment of penalties and interest, if any, shall not alter in any way Defendant's obligation to complete the performance of the requirements of this Consent Decree.

51. Non-Exclusivity of Remedy. Stipulated penalties are not the United States' exclusive remedy for violations of this Consent Decree. Subject to the provisions of Section XIII (Effect of Settlement/Reservation of Rights), the United States expressly reserves the right to seek any other relief it deems appropriate for Defendant's violation of this Decree or applicable law, including but not limited to, an action against Defendant for statutory penalties, additional injunctive relief, mitigation or offset measures, and/or contempt. However, the amount of any

statutory penalty assessed for a violation of this Consent Decree shall be reduced by an amount equal to the amount of any stipulated penalty assessed and paid pursuant to this Consent Decree.

X. FORCE MAJEURE

52. "Force Majeure," for purposes of this Consent Decree, is defined as any event arising from causes beyond the control of Defendant, of any entity controlled by Defendant, or of Defendant's contractors, that delays or prevents the performance of any obligation under this Consent Decree despite Defendant's best efforts to fulfill the obligation. The requirement that Defendant exercise "best efforts to fulfill the obligation" includes using best efforts to anticipate any potential force majeure event and best efforts to address the effects of any potential force majeure event (i) as it is occurring and (ii) following the potential force majeure, such that the delay and any adverse effects of the delay are minimized. "Force Majeure" does not include Defendant's financial inability to perform any obligation under this Consent Decree.

53. If any event occurs or has occurred that may delay the performance of any obligation under this Consent Decree, whether or not caused by a force majeure event, Defendant shall provide notice orally or by electronic transmission to EPA, within seven days of when Defendant first knew that the event might cause a delay. Within 15 Days thereafter, Defendant shall provide in writing to EPA an explanation and description of the reasons for the delay; the duration or anticipated duration of the delay; all actions taken or to be taken to prevent or minimize the delay; a schedule for implementation of any measures taken or to be taken to prevent or mitigate the delay or the effect of the delay; Defendant's rationale for attributing such delay to a force majeure event if it intends to assert such a claim; and a statement as to whether, in the opinion of Defendant, such event may cause or contribute to an endangerment to public health, welfare, or the environment. Defendant shall include with any notice all available

documentation supporting the claim that the delay was attributable to a force majeure event. Failure to comply with the above requirements shall preclude Defendant from asserting any claim of force majeure for that event for the period of time of such failure to comply, and for any additional delay caused by such failure. Defendant shall be deemed to know of any circumstance of which Defendant, any entity controlled by Defendant, or Defendant's contractors knew or should have known.

54. If EPA agrees that the delay or anticipated delay is attributable to a force majeure event, the time for performance of the obligations under this Consent Decree that are affected by the force majeure event will be extended by EPA for such time as is necessary to complete those obligations. An extension of the time for performance of the obligations affected by the force majeure event shall not, of itself, extend the time for performance of any other obligation. EPA will notify Defendant in writing of the length of the extension, if any, for performance of the obligations affected by the force majeure event.

55. If EPA does not agree that the delay or anticipated delay has been or will be caused by a force majeure event, EPA will notify Defendant in writing of its decision.

56. If Defendant elects to invoke the dispute resolution procedures set forth in Section XI (Dispute Resolution), it shall do so no later than 30 Days after receipt of EPA's notice. In any such proceeding, Defendant shall have the burden of demonstrating by a preponderance of the evidence that the delay or anticipated delay has been or will be caused by a force majeure event, that the duration of the delay, or the extension sought was or will be warranted under the circumstances, that best efforts were exercised to avoid and mitigate the effects of the delay, and that Defendant complied with the requirements of Paragraphs 52 and 53, above. If Defendant

carries this burden, the delay at issue shall be deemed not to be a violation by Defendant of the affected obligation of this Consent Decree identified to EPA and the Court.

XI. DISPUTE RESOLUTION

57. Unless otherwise expressly provided for in this Consent Decree, the dispute resolution procedures of this Section shall be the exclusive mechanism to resolve disputes arising under or with respect to this Consent Decree. Defendant's failure to seek resolution of a dispute under this Section shall preclude Defendant from raising any such issue as a defense to an action by the United States to enforce any obligation of Defendant arising under this Decree.

58. Informal Dispute Resolution. Any dispute subject to Dispute Resolution under this Consent Decree shall first be the subject of informal negotiations. The dispute shall be considered to have arisen when Defendant sends DOJ and EPA a written Notice of Dispute. Such Notice of Dispute shall state clearly the matter in dispute. The period of informal negotiations shall not exceed 20 Days from the date the dispute arises, unless that period is modified by written agreement. If the Parties cannot resolve a dispute by informal negotiations, then the position advanced by the United States shall be considered binding unless, within 30 Days after the conclusion of the informal negotiation period, Defendant invokes formal dispute resolution procedures as set forth below.

59. Formal Dispute Resolution. Defendant shall invoke formal dispute resolution procedures, within the time period provided in the preceding Paragraph, by sending DOJ and EPA a written Statement of Position regarding the matter in dispute. The Statement of Position shall include, but need not be limited to, any factual data, analysis, or opinion supporting Defendant's position and any supporting documentation relied upon by Defendant.

60. The United States shall send Defendant its Statement of Position within 45 Days of receipt of Defendant's Statement of Position. The United States' Statement of Position shall include, but need not be limited to, any factual data, analysis, or opinion supporting that position and any supporting documentation relied upon by the United States. The United States' Statement of Position is binding on Defendant, unless Defendant files a motion for judicial review of the dispute in accordance with the following Paragraph.

61. Judicial Dispute Resolution. Defendant may seek judicial review of the dispute by filing with the Court and submitting to DOJ and EPA, in accordance with Section XV (Notices) of this Consent Decree, a motion requesting judicial resolution of the dispute. The motion: (i) must be filed within 14 Days of receipt of the United States' Statement of Position pursuant to the preceding Paragraph; (ii) may not raise any issue not raised in informal dispute resolution pursuant to Paragraph 58, unless the Plaintiff raises a new issue of law or fact in the Statement of Position; (iii) shall contain a written statement of Defendant's position on the matter in dispute, including any supporting factual data, analysis, opinion, or documentation; and (iv) shall set forth the relief requested and any schedule within which the dispute must be resolved for orderly implementation of the Consent Decree.

62. The United States shall respond to Defendant's motion within the time period allowed by the Local Rules of this Court. Defendant may file a reply memorandum, to the extent permitted by the Local Rules.

63. Standard of Review.

a. Disputes Concerning Matters Accorded Record Review. Except as otherwise provided in this Consent Decree, in any dispute brought under Paragraph 59 pertaining to the adequacy or appropriateness of plans, procedures to implement plans, schedules or any

other items requiring approval by EPA under this Consent Decree; the adequacy of the performance of work undertaken pursuant to this Consent Decree; and all other disputes that are accorded review on the administrative record under applicable principles of administrative law, Defendant shall have the burden of demonstrating, based on the administrative record, that the position of the United States is arbitrary and capricious or otherwise not in accordance with law.

b. Other Disputes. Except as otherwise provided in this Consent Decree, in any other dispute brought under Paragraph 59, Defendant shall bear the burden of demonstrating that its position complies with this Consent Decree and better furthers the Objectives (as set forth in Section III) of the Consent Decree.

64. The invocation of dispute resolution procedures under this Section shall not, by itself, extend, postpone, or affect in any way any obligation of Defendant under this Consent Decree, unless and until final resolution of the dispute so provides. Stipulated penalties with respect to the disputed matter shall continue to accrue from the first Day of noncompliance, but payment shall be stayed pending resolution of the dispute as provided in Paragraph 46. If Defendant does not prevail on the disputed issue, stipulated penalties shall be assessed and paid as provided in Section IX (Stipulated Penalties).

XII. INFORMATION COLLECTION AND RETENTION

65. The United States and its representatives, including attorneys, contractors, and consultants, shall have the right of entry into any Store or Manufacturing Facility covered by this Consent Decree, at all reasonable times, upon presentation of credentials, to:

a. monitor the progress of activities required under this Consent Decree;

b. verify any data or information submitted to the United States in accordance with the terms of this Consent Decree;

c. obtain documentary evidence, including photographs and similar data; and

d. assess Defendant's compliance with this Consent Decree.

66. Until five years after the termination of this Consent Decree, Defendant shall retain, and shall instruct its contractors and agents to preserve, all non-identical copies of all documents, records, or other information (including documents, records, or other information in electronic form) in its or its contractors' or agents' possession or control, or that come into its or its contractors' or agents' possession or control that are relevant to demonstrate Defendant's performance of its obligations under this Consent Decree. This information-retention requirement shall apply regardless of any contrary corporate or institutional policies or procedures. At any time during this information-retention period, upon request by the United States, Defendant shall provide copies of any documents, records, or other information required to be maintained under this Paragraph 66.

67. At the conclusion of the information-retention period provided in the preceding Paragraph, Defendant shall notify the United States at least 90 Days prior to the destruction of any documents, records or other information subject to the requirements of the preceding Paragraph and, upon request by the United States, Defendant shall deliver any such documents, records, or other information to EPA. Defendant may assert that certain documents, records, or other information is privileged under the attorney-client privilege or any other privilege recognized by federal law. If Defendant asserts such a privilege, it shall provide the following: (i) the title of the document, record, or information; (ii) the date of the document, record, or information; (iii) the name and title of each author of the document, record, or information; (iv) the name and title of each addressee and recipient; (v) a description of the subject of the document, record, or information; and (vi) the privilege asserted by Defendant. However, no

documents, records, or other information created or generated pursuant to the requirements of this Consent Decree shall be withheld on grounds of privilege.

68 Defendant may also assert that information required to be provided under this Section is protected as Confidential Business Information ("CBI") under 40 C.F.R. Part 2. As to any information that Defendant seeks to protect as CBI, Defendant shall follow the procedures set forth in 40 C.F.R. Part 2.

69. This Consent Decree in no way limits or affects any right of entry and inspection, or any right to obtain information, held by the United States pursuant to applicable federal laws, regulations, or permits, nor does it limit or affect any duty or obligation of Defendant to maintain documents, records, or other information imposed by applicable federal or state laws, regulations, or permits.

XIII. EFFECT OF SETTLEMENT/RESERVATION OF RIGHTS

70. This Consent Decree resolves the civil claims of the United States against Defendant for any violations of 40 C.F.R. §§ 82.156(i), 82.157(c), or 82.166(k) at the Stores and Manufacturing Facilities arising out of the facts and events that occurred prior to the Date of Lodging, including civil claims of the United States for the violations alleged in the Complaint through the Date of Lodging.

71. The United States reserves all legal and equitable remedies available to enforce the provisions of this Consent Decree. This Consent Decree shall not be construed to limit the rights of the United States to obtain penalties or injunctive relief under the Act or implementing regulations, or under other federal laws, regulations, or permit conditions, except as expressly specified in Paragraph 70. The United States further reserves all legal and equitable remedies to address any conditions if there is or may be an imminent and substantial endangerment to the

public health or welfare or the environment arising at, or posed by, any of Defendant's Stores or Manufacturing Facilities, whether related to the violations addressed in this Consent Decree or otherwise.

72. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, civil penalties, other appropriate relief relating to the Stores and Manufacturing Facilities, Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case, except with respect to claims that have been specifically resolved pursuant to Paragraph 70.

73. This Consent Decree is not a permit, or a modification of any permit, under any federal, state, or local laws or regulations. Defendant is responsible for achieving and maintaining complete compliance with all applicable federal, state, and local laws, regulations, and permits; and Defendant's compliance with this Consent Decree shall be no defense to any action commenced pursuant to any such laws, regulations, or permits, except as set forth herein. The United States does not, by its consent to the entry of this Consent Decree, warrant or aver in any manner that Defendant's compliance with any aspect of this Consent Decree will result in compliance with provisions of the Act, 42 U.S.C. § 7401 et seq., or with any other provisions of federal, state, or local laws, regulations, or permits.

74. This Consent Decree does not limit or affect the rights of Defendant or of the United States against any third parties, not party to this Consent Decree, nor does it limit the rights of third parties, not party to this Consent Decree, against Defendant, except as otherwise provided by law.

75. This Consent Decree shall not be construed to create rights in, or grant any cause of action to, any third party not party to this Consent Decree.

XIV. COSTS

76. The Parties shall bear their own costs of this action, including attorneys' fees, except that the United States shall be entitled to collect the costs (including attorneys' fees) incurred in any action necessary to collect any portion of the civil penalty or any stipulated penalties due but not paid by Defendant.

79. Notices submitted pursuant to this Section shall be deemed submitted upon mailing or transmission by email, as applicable, unless otherwise provided in this Consent Decree or by mutual agreement of the Parties in writing.

XVI. EFFECTIVE DATE

80. The Effective Date of this Consent Decree shall be the date upon which this Consent Decree is entered by the Court or a motion to enter the Consent Decree is granted, whichever occurs first, as recorded on the Court's docket; provided, however, that Defendant hereby agrees that it shall be bound to perform duties scheduled to occur prior to the Effective Date. In the event the United States withdraws or withholds consent to this Consent Decree before entry, or the Court declines to enter the Consent Decree, then the preceding requirement to perform duties scheduled to occur before the Effective Date shall terminate.

XVII. RETENTION OF JURISDICTION

81. The Court shall retain jurisdiction over this case until termination of this Consent Decree, for the purpose of resolving disputes arising under this Consent Decree or entering orders modifying this Consent Decree, pursuant to Sections XI (Dispute Resolution) and XVIII (Modification), or effectuating or enforcing compliance with the terms of this Consent Decree.

XVIII. MODIFICATION

82. The terms of this Consent Decree, including any attached appendices, may be modified only by a subsequent written agreement signed by all the Parties. Where the modification constitutes a material change to this Consent Decree, it shall be effective only upon approval by the Court.

83. Any disputes concerning modification of this Consent Decree shall be resolved pursuant to Section XI (Dispute Resolution), provided, however, that, instead of the burden of proof provided by Paragraph 63, the Party seeking the modification bears the burden of demonstrating that it is entitled to the requested modification in accordance with Federal Rule of Civil Procedure 60(b).

XIX. TERMINATION

84. The requirements for termination of this Consent Decree include: (1) completion of the requirements of Section VI (Compliance Requirements) and Section VIII (Reporting Requirements); (2) payment of the civil penalty and any accrued interest as required by Section V (Civil Penalty); and (3) payment of any accrued stipulated penalties required by Section IX (Stipulated Penalties). After Defendant has complied with the requirements for termination, Defendant may submit to DOJ and EPA a Request for Termination, stating that Defendant has satisfied those requirements, together with all necessary supporting documentation.

85. Following receipt by DOJ and EPA of Defendant's Request for Termination, the Parties shall confer informally concerning the Request and any disagreement that the Parties may have as to whether Defendant has satisfactorily complied with the requirements for termination of this Consent Decree. If the United States agrees that the Consent Decree may be terminated, the Parties shall submit, for the Court's approval, a joint stipulation terminating the Consent Decree.

86. If the United States does not agree that the Consent Decree may be terminated, Defendant may invoke Dispute Resolution under Section XI of this Consent Decree. However, Defendant shall not seek Dispute Resolution of any dispute regarding termination, under Paragraph 59 of Section XI, until 60 Days after service of its Request for Termination.

XX. PUBLIC PARTICIPATION

87. This Consent Decree shall be lodged with the Court for a period of not less than 30 Days for public notice and comment in accordance with 28 C.F.R. § 50.7. The United States reserves the right to withdraw or withhold its consent if the comments regarding the Consent Decree disclose facts or considerations indicating that the Consent Decree is inappropriate,

improper, or inadequate. Defendant consents to entry of this Consent Decree without further notice and agrees not to withdraw from or oppose entry of this Consent Decree by the Court or to challenge any provision of the Consent Decree, unless the United States has notified Defendant in writing that it no longer supports entry of the Consent Decree.

XXI. SIGNATORIES/SERVICE

88. Each undersigned representative of Defendant and the Assistant Attorney General for the Environment and Natural Resources Division of the Department of Justice certifies that he or she is fully authorized to enter into the terms and conditions of this Consent Decree and to execute and legally bind the Party he or she represents to this document.

89. This Consent Decree may be signed in counterparts, and its validity shall not be challenged on that basis. Defendant agrees to accept service of process by email and/or mail with respect to all matters arising under or relating to this Consent Decree and to waive the formal service requirements set forth in Rules 4 and 5 of the Federal Rules of Civil Procedure and any applicable Local Rules of this Court including, but not limited to, service of a summons.

XXII. INTEGRATION

90. This Consent Decree, including deliverables that are subsequently approved pursuant to this Decree, constitutes the entire agreement among the Parties regarding the subject matter of the Decree and supersedes all prior representations, agreements and understandings, whether oral or written, concerning the subject matter of the subject matter of the Decree herein.

XXIII. FINAL JUDGMENT

91. Upon approval and entry of this Consent Decree by the Court, this Consent Decree shall constitute a final judgment of the Court as to the United States and Defendant.

APPENDIX C TO CONSENT DECREE
REFRIGERANT COMPLIANCE MANAGEMENT PLAN

The Kroger Co.

Refrigerant Compliance Management Plan

This Refrigerant Compliance Management Plan ("RCMP") was developed to promote and monitor compliance by The Kroger Co. and its wholly owned entities (collectively, "Kroger") with the Consent Decree and Section 608 of the Clean Air Act and its implementing regulations. This RCMP establishes policies and procedures to direct Kroger's use and maintenance of "Refrigerant," including "Advanced Refrigerant." This RCMP applies to Kroger's "Covered Refrigeration Equipment," as defined below.

For all Covered Refrigeration Equipment that Kroger acquires, newly leases or begins to operate after the "Date of Lodging," as defined in the Consent Decree, Kroger shall implement this RCMP within six (6) months after Kroger acquires, first leases or begins to operate such Covered Refrigeration Equipment. Kroger has no obligation to implement this RCMP at any Store or Manufacturing Facility transferred to a third-party that is not owned or controlled by Kroger.

A. Definitions

"Refrigerant" means any substance used as a heat transfer fluid or gas that provides a cooling effect, including, but not limited to, ozone-depleting substances. For purposes of this RCMP, "Refrigerant" shall not include (i) secondary loop fluid, such as propylene glycol, in a secondary loop refrigeration system; and (ii) those substances identified as exempt under 40 C.F.R. § 82.154(a).

"Advanced Refrigerant(s)" means any Refrigerant that does not contain ozone-depleting substances, has a Global Warming Potential Value of 1400 or less, and found acceptable by EPA's Significant New Alternatives Policy Program set forth at 40 C.F.R. Part 82, Subpart G, or otherwise is an equivalent Refrigerant approved by EPA for use.

"Consent Decree" means the Consent Decree entered into between the United States of America and The Kroger Co., to which this RCMP is attached as an exhibit.

"Covered Refrigeration Equipment" means refrigeration equipment at a Store or Manufacturing Facility with a Full Charge of 50 pounds or more of Refrigerant, owned or operated by Kroger, including commercial refrigeration appliances, comfort cooling appliances, and industrial process refrigeration units. This includes any refrigerator, chiller, freezer or air conditioner.

"Kroger Business Period" means Kroger's fiscal year is divided into 13 equal business periods identified each year on a Kroger specific calendar.

Any term not defined in this RCMP shall have the definition provided in the Consent Decree. If any general statements as to the purpose or policy of this RCMP conflict with any of the specific requirements or directives in this RCMP, the specific requirements or directives shall control.

B. POLICY

1. Kroger is committed to providing a safe workplace and complying with environmental regulatory requirements.

2. Kroger shall, in accordance with the policies and procedures set forth in this RCMP, implement management practices related to the use of Refrigerant and the maintenance and repair of Covered Refrigeration Equipment, including the use of a computerized maintenance management system ("CMMS") to track compliance with requirements applicable to its use of Refrigerant and management of Covered Refrigeration Equipment.

C. ORGANIZATION AND OVERSIGHT

1. Kroger is responsible for implementing the provisions of this RCMP. Kroger may work in partnership with one or more Refrigerant management contractors to perform certain activities required by this RCMP, as detailed below.

2. Kroger Stores shall use a CMMS to track information associated with Covered Refrigeration Equipment. The information that will be tracked shall include the information required by this RCMP and Section VIII of the Consent Decree.

3. Kroger Manufacturing Facilities shall use a CMMS and hardcopy records to track information associated with Covered Refrigeration Equipment. The information that will be tracked shall include the information required by this RCMP and Section VIII of the Consent Decree.

4. At least annually, but more frequently as required, Kroger's Director of Enterprise Environmental Compliance shall evaluate and address any issues regarding compliance with this RCMP, identify any changes to applicable requirements, make any necessary updates to employee training programs, review corporate-wide leak rate data, and review, investigate, and take corrective actions, as needed, to address any suspected noncompliance with the standards and/or requirements of this RCMP or 40 C.F.R. Part 82, Subpart F.

D. ASSESSMENT, PREVENTION AND CONTROL

1. **Management Practices.** The following management practices shall apply to Kroger's use of Refrigerant in Covered Refrigeration Equipment, maintenance of Covered Refrigeration Equipment, and interactions between Kroger and any contractors that service Kroger's Covered Refrigeration Equipment.

- Kroger shall not knowingly release or vent Refrigerant to the atmosphere.

- Kroger shall attempt to repair all Covered Refrigeration Equipment exceeding the applicable leak rate under 40 C.F.R. § 82.157(c) within 30 days of when Refrigerant is added to such Covered Refrigeration Equipment as applicable in accordance with 40

C.F.R. § 82.157(d), including, conducting leak inspections of all visible and accessible components of the appliance to identify the location of leaks. Following repair of the leak(s) identified by the leak inspection, Kroger shall perform initial and follow-up verification tests on each leak that was repaired in accordance with applicable EPA regulations and document that the repair has been successfully completed.

- Kroger shall perform leak inspections in accordance with 40 C.F.R. § 82.157(g), as applicable, to identify leaks at the Covered Refrigeration Equipment exceeding the applicable leak rate.

- Following completion of the repair, Kroger shall perform initial and follow-up verification tests in accordance with 40 C.F.R. § 82.157(e), as applicable, to document completion of the repairs.

- Kroger shall document all such verification tests and leak inspections in the CMMS.

- If Kroger fails to bring the leak rate below the applicable leak rate for the appliance as provided for in 40 C.F.R. § 82.157(d), Kroger shall develop and implement a retrofit or retirement plan in accordance with 40 C.F.R. § 82.157(c) and (h), as applicable.

- All contractors responsible for maintenance and repair of Covered Refrigeration Equipment shall be certified according to EPA requirements in 40 C.F.R. § 82.161.

2. **Employee and Contractor Evaluations**. Kroger's applicable Maintenance Director shall ensure that employees and contractors completing work on Covered Refrigeration Equipment are evaluated for compliance with this RCMP annually. Further, Kroger shall ensure that any failure to comply with the RCMP is investigated to determine if corrective actions are necessary. Kroger shall also ensure that when system reports prepared pursuant to Section G, or other pertinent information, demonstrate noncompliance with this RCMP, Kroger shall evaluate such employees and/or contractors and take appropriate corrective actions.

3. **Compliance Review.** Kroger, either directly or through its refrigerant management contractor, shall perform a compliance review program of the Covered Refrigeration Equipment to assess compliance with this RCMP and 40 C.F.R. Part 82, Subpart F. The compliance program review shall include the following elements:

- For Covered Refrigeration Equipment, Kroger or its refrigerant management contractor shall prepare a Store leakage report at the end of each Kroger Business Period. This leakage report includes the system identifier, the date of service, a description of each leak, the amount of Refrigerant added, and the calculated leak rate. During the subsequent Kroger Business Period or month, as applicable, the applicable Maintenance Directors shall review this leakage report for compliance with applicable regulations and recommendations for future leak reductions.

- Kroger shall consistently use the "Annualizing Method" as the method for calculating leak rate as set forth in the definition of "leak rate" in 40 C.F.R. § 82.152.

- For Covered Refrigeration Equipment at Manufacturing Facilities, the Engineering Leader at the La Habra Bakery site shall evaluate each event where Refrigerant is added to its Covered Refrigeration Equipment for compliance with applicable regulations and make recommendations for leak reductions as appropriate.

- Annually, on or before December 31 of each calendar year, Kroger shall communicate with a representative of each refrigerant repair contractor who performed work on Covered Refrigeration Equipment during that year to assess compliance with the RCMP. In addition to the items described in Section C.3. of this RCMP, Kroger shall review, and shall ensure that each refrigerant repair contractor performing work on Covered Refrigeration Equipment reviews this RCMP and the associated policies, procedures, and training programs, and takes any corrective actions that are identified by Kroger to improve the refrigerant management program.

E. REFRIGERATION TECHNICIANS

1. Only EPA-certified technicians shall be permitted to conduct service, maintenance, repair, or recovery work on Covered Refrigeration Equipment. All technicians must have an EPA Certification card showing training in an EPA-approved program.

2. All Kroger employees who are EPA-certified technicians working on Covered Refrigeration Equipment shall be issued refrigerant leak detectors as standard operating procedure.

F. LEAK MONITORING AND REPORTING

1. **Technicians**. Leak Inspections (leak checks) shall be conducted by an EPA-certified technician using industry standard methods as provided in Section F.2 below. Any refrigerant leak detection device shall be used in accordance with the manufacturer's specifications.

2. **Preventative Leak Checks**. Kroger shall perform preventative leak checks on all Covered Refrigeration Equipment as follows:

   - For each Appliance with an Automatic Leak Detection System (ALDS), Kroger shall operate the ALDS at all times except during maintenance or calibration of the ALDS. Kroger shall calibrate each ALDS in accordance with the manufacturer's recommendations but no less than annually;

   - For each Appliance without an ALDS, Kroger shall perform quarterly leak inspections on all visible and accessible components of the Covered Refrigeration Equipment; and

   - Kroger shall document all calibrations and leak inspections in the CMMS.

G. RECORDKEEPING

1. Kroger shall ensure that information required by the RCMP and 40 C.F.R. § 82.157(l) for Covered Refrigeration Equipment in its Stores is entered into a CMMS, including the information to be maintained and reported in Section VIII of the Consent Decree. For IPRUs, Manufacturing shall use a combination of its CMMS and hard copy records to maintain the required records.

a. Kroger shall include the following information in its records:

i. Kroger shall maintain individual records for all appliances as required by EPA regulations and will be updated each time any of the following occur:
   1. Refrigerant is added to an appliance.
   2. Refrigerant is removed from an appliance.
   3. An appliance is relocated to another site.
   4. A system is changed in a way that may alter the categorization of the appliance, thus changing the leak calculation rates.
   5. A new appliance is added.
   6. An appliance is retired.
   7. An appliance is mothballed (Refrigerant removed but appliance not disposed).
   8. Refrigerant is accidentally released.
   9. An appliance is sold or donated.

ii. Kroger shall maintain copies of all certifications for all technicians who perform work on Covered Refrigeration Equipment.

iii. Companies contracted to provide maintenance and project-related services must provide copies of all technician certifications to the division Maintenance Manager prior to performing any service regulated by 40 C.F.R. Part 82. Kroger shall also maintain these copies with contractor contact information, including the technician's name. When a contractor is completing a repair involving a leak, the technician's name must be documented in the service call field notes.

H. TRAINING

1. The training program for employees may include written materials and/or on-the-job training, as appropriate for the employee's job responsibilities. Kroger shall include in its training program leak monitoring policies and procedures, including procedures for recording information related to the RCMP for Covered Refrigeration Equipment into the CMMS (or equivalent) system.

2. Kroger shall ensure that its training programs and the training programs of its refrigerant management contractor(s) are sufficient to address regulatory changes, as well

as personnel and compliance issues identified through individual evaluations, compliance reviews, and incident investigations.

I. ENVIRONMENTAL PLANNING AND ORGANIZATIONAL DECISION-MAKING

1. **Corporate Environmental Planning.** Kroger shall integrate, where practicable, environmental planning related to this RCMP and Kroger's compliance with applicable refrigerant management requirements into Kroger's overall corporate decision-making process. For example, the applicable Maintenance Director must ensure that corporate personnel responsible for capital improvements are aware of Kroger's obligations under this RCMP, the applicable regulations, and the Consent Decree, as well as specific information related to Kroger's use of regulated refrigerants, including Refrigerant phase-out dates.
