WHEREAS, Plaintiff United States of America, on behalf of the United States Environmental Protection Agency ("EPA"), has filed a Complaint in this action concurrently with this Consent Decree against Thunder Diesel & Performance Co. ("Thunder Diesel"), Red Deer Exhaust, Inc. d/b/a Flo~Pro Performance Exhaust ("Flo~Pro") and Schumacher Estates Ltd. ("Schumacher Estates");

WHEREAS, the Complaint alleges that Thunder Diesel and Flo~Pro violated Section 203 of the Clean Air Act ("Act"), as amended, 42 U.S.C. § 7522, by manufacturing, selling, and/or offering for sale certain Motor Vehicle parts or components, the principal effect of which is to bypass, defeat, or render inoperative a Motor Vehicle Emission-Related Element of Design or device;

WHEREAS, Section 203(a)(3)(B) of the Act, 42 U.S.C. § 7522(a)(3)(B), prohibits any person from manufacturing, selling, offering for sale, or installing any part or component intended for use with, or as part of, any Motor Vehicle or Motor Vehicle Engine, where a principal effect of the part or component is to bypass, defeat, or render inoperative any device or element of design installed on or in a Motor Vehicle or Motor Vehicle Engine in compliance with regulations under Title II of the Act, and where the person knows or should know that such part or component is being offered for sale or installed for such use or put to such use;

WHEREAS, the Complaint alleges that Thunder Diesel and Flo~Pro manufactured, sold, and/or offered to sell numerous subject aftermarket performance products ("Subject Products"), intended for use with, or as part of, any Motor Vehicle or Motor Vehicle Engine, where a principal effect of the product is to bypass, defeat, or render inoperative a device or element of design installed on or in Motor Vehicles or Motor Vehicle Engines to control the emission of pollutant, and Defendants knew or should have known that the product is being offered for sale or

installed for such use;

WHEREAS, on February 7, 2019, EPA issued a Notice of Violation ("NOV") to Thunder Diesel, alleging violations of Section 203(a)(3)(B) of the Act, 42 U.S.C. § 7522(a)(3)(B);

WHEREAS, the Complaint alleges that Thunder Diesel made multiple distributions to its sole shareholder, Schumacher Estates, after February 7, 2019, and that these transfers were fraudulent under the Federal Debt Collection Procedures Act ("FDCPA"), 28 U.S.C. § 3304;

WHEREAS, the United States' Complaint seeks injunctive relief and the assessment of civil penalties;

WHEREAS, Thunder Diesel, Flo~Pro, and Schumacher Estates deny any liability to the United States arising out of the conduct, transactions, or occurrences alleged in the Complaint and Consent Decree;

WHEREAS, on July 17, 2020, Thunder Diesel and Flo~Pro represented to the United States in a signed Stop Sale Commitment that, as of that day, they would halt sales of products that remove or bypass the Exhaust Gas Recirculation ("EGR") system, aftermarket race exhaust systems that remove after-treatment systems, and tuning products that disable or allow removal of stock emissions control systems within the United States;

WHEREAS, the United States has reviewed the Financial Information submitted by Defendants to determine whether Defendants are financially able to pay a civil penalty for the violations alleged in the Complaint. Based upon this Financial Information, the United States has determined that Defendants have a limited financial ability to pay a civil penalty; and

WHEREAS, the United States, Thunder Diesel, Flo~Pro, and Schumacher Estates (collectively, the "Parties") recognize, and the Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith and will avoid litigation

between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest;

Whenever any violation of this Consent Decree or any other event affecting Defendants' performance under this Decree may pose an immediate threat to public health or welfare or to the environment, Defendants shall notify EPA orally or by electronic means as soon as possible, but no later than 24 hours after Defendants first knew of the violation or event. This procedure is in addition to the requirements set forth in the preceding Paragraph.

31. All reports shall be submitted to the persons designated in Section XIV (Notices) and shall include the civil action number of this case and the DOJ case number, 90-5-2-1-12234.

32. Each report submitted by Defendants under this Section shall be signed by an official of Thunder Diesel and Flo~Pro, and include the following certification:

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I have no personal knowledge that the information submitted is other than true, accurate, and complete. I am aware that there are significant penalties for intentionally submitting false information, including the possibility of fine and imprisonment for knowing violations.

33. This certification requirement does not apply to emergency or similar notifications where compliance would be impractical.

34. The reporting requirements of this Consent Decree do not relieve Defendants of any reporting obligations required by the Act or implementing regulations, or by any other federal, state, or local law, regulation, permit, or other requirement.

35. Any information provided in accordance with this Consent Decree may be used by the United States in any proceeding to enforce the provisions of this Consent Decree and as otherwise permitted by law.

37. <u>Periodic Reports</u>. If Defendants fail to submit a Semi-Annual Report, or fail to submit a complete Semi-Annual Report, as required by Section VII (Reporting Requirements), Defendants shall pay a stipulated penalty of \$500 per Day for the first 30 Days of noncompliance and \$2,000 per Day thereafter.

38. <u>Late Payment of Civil Penalty</u>. If Defendants fail to pay the civil penalties required to be paid under Section IV (Civil Penalties) when due, Defendants shall pay a stipulated penalty of \$1,000 per Day for each Day that the payment is late.

39. Stipulated penalties under this Section shall begin to accrue on the Day after performance is due or on the Day a violation occurs, whichever is applicable, and shall continue to accrue until performance is satisfactorily completed or until the violation ceases. Stipulated penalties shall accrue simultaneously for separate violations of this Consent Decree.

40. Defendants shall pay stipulated penalties to the United States within 30 Days of a

written demand by the United States, unless Defendants invoke the dispute resolution procedures

under Section X (Dispute Resolution) within the 30-Day period.

41. Stipulated penalties shall continue to accrue as provided in Paragraph 39 during

any Dispute Resolution, but need not be paid until the following:

- a. If the dispute is resolved by agreement of the Parties or by a decision of EPA that is not appealed to the Court, Defendants shall pay accrued penalties determined to be owing, together with interest, to the United States within 30 Days of the effective date of the agreement or the receipt of EPA's decision or order.
- b. If the dispute is appealed to the Court and the United States prevails in whole or in part, Defendants shall pay all accrued penalties determined by the Court to be owing, together with interest, within 30 Days of receiving the Court's decision or order, except as provided in Paragraph 42(c), below.
- c. If any Party appeals the District Court's decision, Defendants shall pay all accrued penalties determined to be owing, together with interest, within 30 Days of receiving the final appellate court decision.

42. If a Defendant fails to pay stipulated penalties according to the terms of this

Consent Decree, the Defendant shall be liable for interest on such penalties, as provided for in 28

U.S.C. § 1961, accruing as of the date payment became due. Nothing in this Paragraph limits the United States from seeking any remedy otherwise provided by law for Defendants' failure to pay any stipulated penalties or interest.

43. The United States may, in the unreviewable exercise of its discretion, reduce or waive stipulated penalties otherwise due it under this Consent Decree.

44. <u>Obligations Prior to the Effective Date</u>. Upon the Effective Date, the stipulated penalty provisions of this Decree shall be retroactively enforceable with regard to any and all violations of Paragraphs 12 - 15 and 17 - 22 that have occurred prior to the Effective Date, provided that stipulated penalties that may have accrued prior to the Effective Date may not be collected unless and until this Consent Decree is entered by the Court.

45. Defendants shall pay stipulated penalties owing to the United States in the manner set forth and with the confirmation notices required by Paragraph 9, except that the transmittal letter shall state that the payment is for stipulated penalties and shall state for which violation(s) the penalties are being paid.

46. The payment of stipulated penalties and/or interest pursuant to this Section shall not alter in any way Defendants' obligation to complete the performance of the requirements of this Consent Decree.

47. Stipulated penalties are not the United States' exclusive remedy for violations of this Consent Decree. Subject to the provisions of Section XII (Effect of Settlement/Reservation of Rights), the stipulated penalties provided for in this Consent Decree shall be in addition to any other rights, remedies, or sanctions available to the United States for Defendants' violation of this Decree or applicable law. Where a violation of this Decree is also a violation of relevant statutory or regulatory requirements, Defendants shall be allowed a credit, for any stipulated penalties paid, against any statutory penalties imposed for such violation under the applicable federal requirement.

IX. FORCE MAJEURE

48. "Force majeure," for purposes of this Consent Decree, is defined as any event arising from causes beyond the control of Defendants, of any entity controlled by Defendants, or of Defendants' contractors, Third Party Resellers, or employees, which delays or prevents the performance of any obligation under this Consent Decree despite Defendants' best efforts to fulfill the obligation. The requirement that Defendants exercise "best efforts to fulfill the obligation" includes using best efforts to anticipate any potential force majeure event and best efforts to address the effects of any potential force majeure event (a) as it is occurring and (b) following the potential force majeure, such that the delay and any adverse effects of the delay are

minimized. "Force majeure" does not include Defendants' financial inability to perform any obligation under this Consent Decree.

49. If any event occurs or has occurred that may delay the performance of any obligation under this Consent Decree, whether or not caused by a force majeure event, Defendants shall provide notice by electronic transmission to EPA, within 72 hours of when Defendants first knew that the event might cause a delay, to the addressees provided in Section XIV (Notices). Within seven Days thereafter, Defendants shall provide in writing to EPA an explanation and description of the reasons for the delay; the anticipated duration of the delay; all actions taken or to be taken to prevent or minimize the delay; a schedule for implementation of any measures to be taken to prevent or mitigate the delay or the effect of the delay; Defendants' rationale for attributing such delay to a force majeure event if it intends to assert such a claim; and a statement as to whether, in the opinion of Defendants, such event may cause or contribute to an endangerment to public health, welfare, or the environment. Defendants shall include with any notice all available documentation supporting the claim that the delay was attributable to a force majeure. Failure to comply with the above requirements shall preclude Defendants from asserting any claim of force majeure for that event for the period of time of such failure to comply, and for any additional delay caused by such failure. Defendants shall be deemed to know of any circumstance of which Defendants, any entity controlled by Defendants, or Defendants' contractors knew or should have known.

50. If EPA agrees that the delay or anticipated delay is attributable to a force majeure event, the time for performance of the obligations under this Consent Decree that are affected by the force majeure event will be extended by EPA for such time as is necessary to complete those obligations. An extension of the time for performance of the obligations affected by the force

majeure event shall not, of itself, extend the time for performance of any other obligation. EPA will notify Defendants in writing of the length of the extension, if any, for performance of the obligations affected by the force majeure event.

51. If EPA does not agree that the delay or anticipated delay has been or will be caused by a force majeure event, EPA will notify Defendants in writing of its decision.

52. If a Defendant elects to invoke the dispute resolution procedures set forth in Section X (Dispute Resolution), it shall do so no later than 30 Days after receipt of EPA's notice. In any such proceeding, Defendants shall have the burden of demonstrating by a preponderance of the evidence that the delay or anticipated delay has been or will be caused by a force majeure event, that the duration of the delay or the extension sought was or will be warranted under the circumstances, that best efforts were exercised to avoid and mitigate the effects of the delay, and that Defendants complied with the requirements of Paragraphs 48 and 49. If Defendants carry this burden, the delay at issue shall be deemed not to be a violation by Defendants of the affected obligation of this Consent Decree identified to EPA and the Court.

X. DISPUTE RESOLUTION

53. Unless otherwise expressly provided for in this Consent Decree, the dispute resolution procedures of this Section shall be the exclusive mechanism to resolve disputes arising under or with respect to this Consent Decree. Defendants' failure to seek resolution of a dispute under this Section shall preclude Defendants from raising any such issue as a defense to an action by the United States to enforce any obligation of Defendants arising under this Decree.

54. <u>Informal Dispute Resolution</u>. Any dispute subject to Dispute Resolution under this Consent Decree shall first be the subject of informal negotiations. The dispute shall be considered to have arisen when Defendants send the United States a written Notice of Dispute. Such Notice of Dispute shall state clearly the matter in dispute. The period of informal

negotiations shall not exceed 30 Days from the date the dispute arises, unless that period is modified by written agreement. If the Parties cannot resolve a dispute by informal negotiations, then the position advanced by the United States shall be considered binding unless, within 10 Days after the conclusion of the informal negotiation period, Defendants invoke formal dispute resolution procedures as set forth below.

55. <u>Formal Dispute Resolution</u>. Defendants shall invoke formal dispute resolution procedures, within the time period provided in the preceding Paragraph, by serving on the United States a written Statement of Position regarding the matter in dispute. The Statement of Position shall include, but need not be limited to, any factual data, analysis, or opinion supporting Defendants' position and any supporting documentation relied upon by Defendants.

56. The United States shall serve its Statement of Position within 45 Days of receipt of Defendants' Statement of Position. The United States' Statement of Position shall include, but need not be limited to, any factual data, analysis, or opinion supporting that position and any supporting documentation relied upon by the United States. The United States' Statement of Position shall be binding on Defendants, unless Defendants file a motion for judicial review of the dispute in accordance with the following Paragraph.

57. Defendants may seek judicial review of the dispute by filing with the Court and serving on the United States, in accordance with Section XIV (Notices), a motion requesting judicial resolution of the dispute. The motion must be filed within 20 Days of receipt of the United States' Statement of Position under the preceding Paragraph. The motion shall contain a written statement of Defendants' position on the matter in dispute, including any supporting factual data, analysis, opinion, or documentation, and shall set forth the relief requested and any

schedule within which the dispute must be resolved for orderly implementation of the Consent Decree.

58. The United States shall respond to Defendants' motion within the time period allowed by the Local Rules of this Court. Defendants may file a reply memorandum, to the extent permitted by the Local Rules.

59. <u>Standard of Review</u>. Except as otherwise provided in this Consent Decree, in any other dispute brought under Paragraph 55, Defendants shall bear the burden of demonstrating that their position complies with this Consent Decree, and that Defendants are entitled to relief under applicable principles of law. The United States reserves the right to argue that its position is reviewable only on the administrative record and must be upheld unless arbitrary and capricious.

60. The invocation of dispute resolution procedures under this Section shall not, by itself, extend, postpone, or affect in any way any obligation of Defendants under this Consent Decree, unless and until final resolution of the dispute so provides. Stipulated penalties with respect to the disputed matter shall continue to accrue from the first Day of noncompliance, but payment shall be stayed pending resolution of the dispute as provided in Paragraph 41. If Defendants do not prevail on the disputed issue, stipulated penalties shall be assessed and paid as provided in Section VIII (Stipulated Penalties).

XI. INFORMATION COLLECTION AND RETENTION

61. The United States and its representatives, including attorneys, contractors, and consultants, shall have the right of entry into any of Defendants' business facilities, at all reasonable times, upon presentation of credentials, to:

- a. Monitor the progress of activities required under this Consent Decree;
- b. Verify any data or information submitted to the United States in accordance with the terms of this Consent Decree;

- c. Inspect records and any product(s) regulated under Title II of the Act or the regulations promulgated thereunder;
- d. Obtain documentary evidence, including photographs, software, or other data or information; and
- e. Assess Defendants' compliance with this Consent Decree.

62. Until two years after the termination of this Consent Decree, unless otherwise specified herein, Defendants shall retain, and shall instruct their contractors and agents to preserve, all non-identical copies of all documents, records, or other information (including documents, records, or other information in electronic form) in their or their contractors' or agents' possession or control, or that come into its or its contractors' or agents' possession or control, or that come into its or its contractors' or agents' possession or control, or that come into its or its contractors' or agents' possession or control, and that relate in any manner to Defendants' performance of its obligations under this Consent Decree. This information-retention requirement shall apply regardless of any contrary corporate or institutional policies or procedures. At any time during this information-retention period, upon request by the United States, Defendants shall provide copies of any documents, records, or other information required to be maintained under this Paragraph.

63. At the conclusion of the information-retention period provided in the preceding Paragraph, Defendants shall notify the United States at least 90 Days prior to the destruction of any documents, records, or other information subject to the requirements of the preceding Paragraph and, upon request by the United States, Defendants shall deliver any such documents, records, or other information to EPA. Defendants may assert that certain documents, records, or other information is privileged under the attorney-client privilege or any other privilege recognized by federal law. If Defendants assert such a privilege, they shall provide the following: (a) the title of the document, record, or information; (b) the date of the document, record, or information; (c) the name and title of each author of the document, record, or information; (d) the name and title of each addressee and recipient; (e) a description of the subject of the document,

record, or information; and (f) the privilege asserted by Defendants. However, no documents, records, or other information created or generated in accordance with the requirements of this Consent Decree shall be withheld on grounds of privilege.

64. Defendants may also assert that information required to be provided under this Section is protected as Confidential Business Information ("CBI") under 40 C.F.R. Part 2. As to any information that Defendants seek to protect as CBI, Defendants shall follow the procedures set forth in 40 C.F.R. Part 2.

65. This Consent Decree in no way limits or affects any right of entry and inspection, or any right to obtain information, held by the United States pursuant to applicable federal or state laws, regulations, or permits, nor does it limit or affect any duty or obligation of Defendants to maintain documents, records, or other information imposed by applicable federal or state laws, regulations, or permits.

XII. EFFECT OF SETTLEMENT/RESERVATION OF RIGHTS

66. This Consent Decree resolves the civil claims of the United States for the violations alleged in the Complaint filed in this action through the Date of Lodging.

67. The United States reserves all legal and equitable remedies available to enforce the provisions of this Consent Decree. This Consent Decree does not limit the rights of the United States to obtain penalties or injunctive relief under the Act or implementing regulations, or under other federal laws, regulations, or permit conditions, except as expressly specified in Paragraph 66. The United States further reserves all legal and equitable remedies to address any imminent and substantial endangerment to the public health or welfare or the environment arising as a result of Defendants' business or any of Defendants' products, whether related to the violations addressed in this Consent Decree or otherwise.

68. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, civil penalties, or other appropriate relief relating to the Defendants' operations, Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case, except with respect to claims that have been specifically resolved under Paragraph 66.

69. This Consent Decree is not a permit, or a modification of any permit, under any federal, state, or local laws or regulations. Defendants are responsible for achieving and maintaining complete compliance with all applicable federal, state, and local laws, regulations, and permits; and Defendants' compliance with this Consent Decree shall be no defense to any action commenced under any such laws, regulations, or permits, except as set forth herein. The United States does not, by its consent to the entry of this Consent Decree, warrant or aver in any manner that Defendants' compliance with any aspect of this Consent Decree will result in compliance with provisions of the Act, or with any other provisions of federal, state, or local laws, regulations, or permits.

70. This Consent Decree does not limit or affect the rights of Defendants or of the United States against any third parties, not party to this Consent Decree, nor does it limit the rights of third parties, not party to this Consent Decree, against Defendants, except as otherwise provided by law.

71. This Consent Decree shall not be construed to create rights in, or grant any cause of action to, any third party not party to this Consent Decree.

72. The United States' agreement to the amount of the civil penalty required by Paragraph 8 of this Consent Decree is based on the Financial Information identified in Appendix D of this Consent Decree. Defendants certify that the Financial Information submitted to the United States and generally described in Appendix D is true, accurate, and complete

XIII. COSTS

73. The Parties shall bear their own costs of this action, including attorneys' fees, except that the United States shall be entitled to collect the costs (including attorneys' fees) incurred in any action necessary to collect any portion of the civil penalties or any stipulated penalties due but not paid by Defendants.

XIV. NOTICES

78. The Court shall retain jurisdiction over this case until termination of this Consent Decree, for the purpose of resolving disputes arising under this Decree or entering orders modifying this Decree, under Sections X (Dispute Resolution) and XVII (Modification), or effectuating or enforcing compliance with the terms of this Decree.

modification constitutes a material change to this Decree, it shall be effective only upon approval by the Court.

80. Any disputes concerning modification of this Decree shall be resolved under Section X (Dispute Resolution), provided, however, that, instead of the burden of proof provided by Paragraph 59, the Party seeking the modification bears the burden of demonstrating that it is entitled to the requested modification in accordance with Federal Rule of Civil Procedure 60(b).

XVIII. TERMINATION

81. After Defendants have: (a) completed the requirements of Paragraphs 13, 15, 18, 19, 20, 21 and 22; (b) complied with Paragraphs 12, 14, 17, and 23 for at least four years after the Effective Date; (c) paid the civil penalties required by Section IV, including any accrued interest; and (d) paid any accrued stipulated penalties as required by this Consent Decree, Defendants may serve upon the United States a Request for Termination, stating that Defendants have satisfied these requirements, together with all necessary supporting documentation.

If the United States agrees that the Decree may be terminated, the Parties shall submit, for the Court's approval, a joint stipulation terminating the Decree.

83. If the United States does not agree that the Decree may be terminated, Defendants may invoke Dispute Resolution under Section X of this Decree. However, Defendants shall not seek Dispute Resolution of any dispute regarding termination until 90 Days after service of its Request for Termination.

84. This Consent Decree shall be lodged with the Court for a period of not less than 30 Days for public notice and comment in accordance with 28 C.F.R. § 50.7. The United States reserves the right to withdraw or withhold its consent if the comments regarding the Consent Decree disclose facts or considerations indicating that the Consent Decree is inappropriate, improper, or inadequate. Defendants consent to entry of this Consent Decree without further notice and agree not to withdraw from or oppose entry of this Consent Decree by the Court or to challenge any provision of the Decree, unless the United States has notified Defendants in writing that it no longer supports entry of the Decree.

XX. SIGNATORIES/SERVICE

85. APPENDIX B

NOTICE OF CONSENT DECREE IN UNITED STATES v. THUNDER DIESEL & PERFORMANCE CO., RED DEER EXHAUST, INC. (d/b/a FLO~PRO PERFORMANCE EXHAUST), and SCHUMACHER ESTATES LTD.

Dear Customer,

Thunder Diesel & Performance Co. ("Thunder Diesel") and Red Deer Exhaust, Inc., ("Flo~Pro"), have entered into a civil judicial settlement with the United States regarding the manufacture and sale of certain Flo~Pro and other brand exhaust and engine software tuning products, including the products identified in the attached list and hereinafter referred to as "Subject Products."

The United States Environmental Protection Agency ("EPA") has alleged that the manufacture, sale, and offer for sale of these Subject Products violates the Clean Air Act's prohibition against motor vehicle parts or components that have a principal effect of bypassing, defeating, or rendering inoperative any emissions control device or element of design installed in or on a motor vehicle. *See* 42 U.S.C. § 7522(a)(3). Emissions control devices include the diesel particulate filter, exhaust gas recirculation system, catalysts, and onboard diagnostic system. Motor vehicle emissions controls are important for protection of public health and the environment.

As part of its settlement with the United States EPA, Thunder Diesel and Flo~Pro have agreed, among other things, that:

1. Thunder Diesel and Flo~Pro will no longer manufacture, sell, offer for sale, or install these Subject Products or others that have a principal effect of bypassing, defeating, or rendering inoperative any emissions control device or element of design installed in or on a motor vehicle in the United States;

2. Thunder Diesel and Flo~Pro will no longer provide technical support (including user manuals, telephone support, online/chat support, YouTube videos, and warranty support) for these Subject Products; and

3. Thunder Diesel and Flo~Pro will no longer support warranty claims pertaining to any of these Subject Products.

As part of the resolution of this litigation, Thunder Diesel and Flo~Pro have agreed to send this notice to each customer in the United States that purchased these Subject Products from Thunder Diesel or Flo~Pro on or after January 1, 2016.

APPENDIX C

NOTICE OF CONSENT DECREE IN UNITED STATES v. THUNDER DIESEL & PERFORMANCE CO., RED DEER EXHAUST, INC. (d/b/a FLO~PRO PERFORMANCE EXHAUST), and SCHUMACHER ESTATES LTD.

TO: ALL OFFICERS, DIRECTORS, AND EMPLOYEES OF THUNDER DIESEL & PERFORMANCE CO. and RED DEER EXHAUST, INC. (d/b/a FLO~PRO PERFORMANCE EXHAUST)

Thunder Diesel & Performance Co. ("Thunder Diesel") and Red Deer Exhaust, Inc., (Flo~Pro), have entered into a civil judicial settlement with the United States regarding the manufacture and sale of certain Flo~Pro and other brand exhaust hardware and engine software tuning products, including the products identified in the attached list and herein after referred to as "Subject Products."

The Clean Air Act strictly prohibits the manufacture, sale, offer for sale, and installation of any part or component intended for use with a motor vehicle or motor vehicle engine, where a principal effect of the part or component is to bypass, defeat, or render inoperative emission control devices or elements of design, such as diesel particulate filters, exhaust gas recirculation systems, catalysts, and onboard diagnostic systems.

As part of its settlement with the United States EPA, Thunder Diesel and Flo~Pro have agreed, among other things, that:

1. Thunder Diesel and Flo~Pro will no longer manufacture, sell, offer for sale, or install these Subject Products or others that have a principal effect of bypassing, defeating, or rendering inoperative any emissions control device or element of design installed in or on a motor vehicle in the United States;

2. Thunder Diesel and Flo~Pro will no longer provide technical support (including user manuals, telephone support, online/chat support, YouTube videos, and warranty support) for these Subject Products; and

3. Thunder Diesel and Flo~Pro will no longer support warranty claims pertaining to any of these Subject Products.

Anyone who undertakes any of the actions prohibited by Section 7522(a)(3)(A) or (B) of the Clean Air Act, or who offers for sale, sells, conveys, or otherwise transfers in any way the design, technology, or manufacturing processes or techniques used to manufacture the Subject Products identified above may be subject to a civil action under the Clean Air Act.

42 U.S. Code Section 7522

(a) Enumerated prohibitions

The following acts and the causing thereof are prohibited—

(3)(B) for any person to manufacture or sell, or offer to sell, or install, any part or component intended for use with, or as part of, any motor vehicle or motor vehicle engine, where a principal effect of the part or component is to bypass, defeat, or render inoperative any device or element of design installed on or in a motor vehicle or motor vehicle engine in compliance with regulations under this subchapter, and where the person knows or should know that such part or component is being offered for sale or installed for such use or put to such use.
