- Port Refinery operated at 55 Hillandale Road in the Village of Rye Brook, Westchester County, New York. EPA has determined that Port Refinery’s owners, Edmund and Norma Barbera, operated Port Refinery out of their two-story garage located behind their residential home at 55 Hillandale Road. The Port Refinery property was bordered by private residences on its south, east, and west sides.

- EPA has determined that Port Refinery took virtually no environmental precautions or safety measures during its mercury refinement process.
- EPA has determined that Port Refinery released a significant amount of mercury into the environment, contaminating the Site.
- EPA has determined that mercury from the Settling Defendant's mercury-containing products was comingled at the Site and contributed to the mercury released into the environment at the Site.

5. Settling Defendant hereby admits, acknowledges, and accepts responsibility for delivering 17,253 pounds of scrap mercury for re-smelting purposes to Port Refinery during its period of operations.

VI. PAYMENT OF RESPONSE COSTS

6. Within 30 days after the Effective Date, Settling Defendant shall make payments to the EPA Hazardous Substance Superfund in the amounts and on the schedule set forth in Appendix A to this Consent Decree.

7. Settling Defendant shall make its payment at <https://www.pay.gov> to the U.S. Department of Justice account, in accordance with instructions provided to the Settling Defendant by the Financial Litigation Unit ("FLU") of the United States Attorney's Office for the Southern District of New York after the Effective Date. The payment instructions provided by the FLU shall include a Consolidated Debt Collection System ("CDCS") number, which shall be used to identify all payments required to be made in accordance with this Consent Decree. Defendant shall make such payment by FedWire Electronic Funds Transfer (EFT) in accordance with the FLU's instructions including references to the CDCS Number. The FLU shall provide the payment instructions to Settling Defendant in accordance with Section XIII (Notices and Submissions). Settling Defendant may change the individual to receive payment instructions on its behalf by providing written notice of such change in accordance with Section XIII (Notices and Submissions).

8. At the time of payment, Settling Defendant shall send notice that payment has been made to EPA and DOJ in accordance with Section XIII (Notices and Submissions), and to the EPA Cincinnati Finance Center by email at cinwd_acctsreceivable@epa.gov. Such notice shall reference the CDCS Number, the Site/Spill ID Number 027T, and the DOJ case number 90-11-3-1142/6.

VII. FAILURE TO COMPLY WITH CONSENT DECREE

9. Interest on Late Payments. If Settling Defendant fails to make any payment required by Paragraph 6 by the required due date, Settling Defendant shall pay an additional sum for Interest on the unpaid balance calculated from the Effective Date through the date of payment.

10. Stipulated Penalty.

a. If any amounts due under Paragraph 6 are not paid by the required date, Settling Defendant shall be in violation of this Consent Decree and shall pay to EPA, as a

stipulated penalty, in addition to the Interest required by Paragraph 9, \$750 per violation per day that such payment is late.

b. Stipulated penalties are due and payable within 30 days of the date of the demand for payment of the penalties by EPA. Settling Defendants shall make all payments at <https://www.pay.gov> in accordance with the procedures under Paragraph 7. All payments to EPA under this Paragraph shall be identified as “stipulated penalties.”

c. Such notice shall reference the CDCS number, the Site/Spill ID number, and the DOJ case number, as set forth in Paragraph 8.

d. Penalties shall accrue as provided in this Paragraph regardless of whether EPA has notified Settling Defendant of the violation or made a demand for payment, but need only be paid upon demand. All penalties shall begin to accrue on the day after payment or performance is due and shall continue to accrue through the date of payment or the final day of correction of the noncompliance or completion of the activity. Nothing in this Consent Decree shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

11. If the United States brings an action to enforce this Consent Decree, Settling Defendant shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.

12. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of Settling Defendant’s failure to comply with the requirements of this Consent Decree.

13. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of any stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse the Settling Defendant from payment as required by Section VI or from performance of any other requirements of this Consent Decree.

VIII. COVENANTS BY UNITED STATES

14. Covenants for Settling Defendant by United States. Except as specifically provided in Section IX (Reservation of Rights by United States), the United States on behalf of EPA covenants not to sue or to take administrative action against Settling Defendant pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. §§ 9606 and 9607(a), with regard to the Site. With respect to present and future liability, these covenants shall take effect upon the Effective Date. These covenants are conditioned upon the satisfactory performance by Settling Defendant of its obligations under this Consent Decree. These covenants are also conditioned upon the veracity and completeness of the Financial Information provided to EPA by Settling Defendant and the certification made by Settling Defendant in Paragraph 29, below. These covenants extend only to Settling Defendant and do not extend to any other person.

IX. RESERVATION OF RIGHTS BY UNITED STATES

15. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendant with respect to all matters not expressly included within Section VIII (Covenants by United States). Notwithstanding any other provision of this Consent Decree, the United States reserves all rights against Settling Defendant with respect to:

- a. liability for failure of Settling Defendant to meet a requirement of this Consent Decree;
- b. criminal liability;
- c. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;
- d. liability based on the ownership or operation of the Site by Settling Defendant when such ownership or operation commences after signature of this Consent Decree by Settling Defendant;
- e. liability based on Settling Defendant's transportation, treatment, storage, or disposal, or arrangement for transportation, treatment, storage, or disposal of a hazardous substance or a solid waste at or in connection with the Site, after signature of this Consent Decree by Settling Defendant; and
- f. liability arising from the past, present, or future disposal, release or threat of release of a hazardous substance, pollutant, or contaminant outside of the Site.

16. Notwithstanding any other provision of this Consent Decree, the United States reserves, and this Consent Decree is without prejudice to, the right to reinstitute or reopen this action, or to commence a new action seeking relief other than as provided in this Consent Decree, if the Financial Information provided by Settling Defendant, or the certification made by Settling Defendant in Paragraph 29, is false or, in any material respect, inaccurate.

X. COVENANTS BY THE SETTLING DEFENDANT

17. Covenants by the Settling Defendant. Settling Defendant covenants not to sue and agree not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to the Site and this Consent Decree, including but not limited to:

- a. any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;
- b. any claim arising out of response actions at or in connection with the Site, including any claim under the United States Constitution, the New York State Constitution, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, or at common law; or
- c. any claim pursuant to Sections 107 or 113 of CERCLA, 42 U.S.C. §§ 9607 or 9613, Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or state law relating to the Site.

18. Except as provided in Paragraph 20 (claims against other potentially responsible parties (“PRPs”)) and Paragraph 25 (*res judicata* and other defenses), the covenants in this Section shall not apply in the event the United States brings a cause of action or issues an order pursuant to any of the reservations in Section IX (Reservations of Rights by United States), other than in Paragraph 15.a (liability for failure to meet a requirement of the Consent Decree) or 15.b (criminal liability), but only to the extent that the Settling Defendant’s claims arise from the same response action or response costs that the United States is seeking pursuant to the applicable reservation.

19. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).

20. Settling Defendant agrees not to assert any claims and to waive all claims or causes of action (including but not limited to claims or causes of action under Sections 107(a) and 113 of CERCLA) that it may have for response costs relating to the Site against any PRP who enters or has entered into a settlement with the United States relating to the Site to the extent Settling Defendant’s claims and causes of action are within the scope of the matters addressed in such PRP’s settlement with the United States, provided, however, that this waiver does not apply if such PRP asserts a claim or cause of action regarding the Site against Settling Defendant. Nothing in the Decree limits Settling Defendant’s rights under section 122(d)(2) of CERCLA to comment on any *de minimis* or ATP settlement proposed by EPA.

XI. EFFECT OF SETTLEMENT/CONTRIBUTION

21. Except as provided in Paragraph 20 (claims against other PRPs), nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Section X (Covenants by the Settling Defendant), each of the Parties expressly reserves any and all rights (including, but not limited to, under Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action that it may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Consent Decree diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2) of CERCLA.

22. The Parties agree, and by entering this Consent Decree this Court finds, that this Consent Decree constitutes a judicially-approved settlement pursuant to which the Settling Defendant has, as of the Effective Date, resolved liability to the United States within the meaning of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and are entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, or as may be otherwise provided by law, for the “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are all response actions taken or to be taken and all response costs incurred or to be incurred, at or in connection with the Site, by the United States or any other person, except for the State; provided, however, that if the United States exercises rights under the reservations in Section IX (Reservations of Rights by United States), other than in Paragraph 15.a (liability for failure to meet a requirement of the

Consent Decree) or 15.b (criminal liability), the “matters addressed” in this Consent Decree will no longer include those response costs or response actions that are within the scope of the exercised reservation.

23. The Parties further agree, and by entering this Consent Decree this Court finds, that the complaint filed by the United States in this action is a civil action within the meaning of Section 113(f)(1) of CERCLA, 42 U.S.C. § 9613(f)(1), and that this Consent Decree constitutes a judicially-approved settlement pursuant to which Settling Defendant has, as of the Effective Date, resolved liability to the United States within the meaning of Section 113(f)(3)(B) of CERCLA, 42 U.S.C. § 9613(f)(3)(B).

24. Settling Defendant shall, with respect to any suit or claim brought by it for matters related to this Consent Decree, notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Settling Defendant also shall, with respect to any suit or claim brought against it for matters related to this Consent Decree, notify EPA and DOJ in writing within ten days after service of the complaint or claim upon it. In addition, Settling Defendant shall notify EPA and DOJ within ten days after service or receipt of any Motion for Summary Judgment, and within ten days after receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

25. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants by the United States set forth in Section VIII.

XII. RETENTION OF RECORDS AND CERTIFICATION

26. Until ten years after the entry of this Consent Decree, Settling Defendant shall preserve and retain all non-identical copies of records, reports, or information (hereinafter referred to, collectively, as “records”) now in their possession or control, or which come into their possession or control after the Effective Date, that relate in any manner to the liability of any person under CERCLA with respect to the Site, regardless of any corporate or personal retention policy to the contrary.

27. After the conclusion of the ten-year document retention period in the preceding Paragraph, Settling Defendant shall notify EPA and DOJ at least 90 days prior to the destruction of any such records, and, upon request by EPA or DOJ, Settling Defendant shall deliver any such records to EPA. Settling Defendant may assert that certain records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendant asserts such a privilege, they shall provide Plaintiff with the following: (1) the title of the record; (2) the date of the record; (3) the name, title, affiliation (*e.g.*, company or firm), and address of the author of the record; (4) the name and title of each addressee and recipient; (5) a description of the subject of the record; and (6) the privilege asserted. If a claim of privilege applies only to a portion of a record, the record shall be provided to Plaintiff in redacted form to mask the privileged information only. Settling Defendant shall retain all records that they claim to be

privileged until the United States has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in Settling Defendant's favor. However, no records created or generated pursuant to the requirements of this or any other settlement with the EPA pertaining to the Site shall be withheld on the grounds that they are privileged.

28. Settling Defendant certifies that, to the best of its knowledge and belief, after thorough inquiry, it has not altered, mutilated, discarded, destroyed or otherwise disposed of any records (other than identical copies) relating to its potential liability regarding the Site since the earlier of notification of potential liability by the United States or the filing of suit against it regarding the Site, and that it has fully complied with any and all EPA requests for information regarding the Site and its financial circumstances, including but not limited to insurance and indemnity information, pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6927.

29. Settling Defendant certifies that, to the best of its knowledge and belief, after thorough inquiry, it has:

a. submitted to EPA financial information that fairly, accurately, and materially sets forth its financial circumstances, and that those circumstances have not materially changed between the time the financial information was submitted to EPA and the time it executes this Consent Decree; and

b. fully disclosed any information regarding the existence of any insurance policies or indemnity agreements that may cover claims relating to cleanup of the Site, and submitted to EPA upon request such insurance policies, indemnity agreements, and information.

XIII. NOTICES AND SUBMISSIONS

30. Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. Written notice by email or by regular mail as specified in this Section shall constitute complete satisfaction of any written notice requirement of the Consent Decree with respect to the United States, EPA, DOJ, and Settling Defendant, respectively.
