

# WETLANDS

---

## **Food Security Act of 1985, §1221 (“Swampbuster”)** **16 U.S.C. §3821**

*Note: See the discussion of the dredged and fill materials provisions of the Federal Water Pollution Control Act in the section of this Outline entitled “Water Quality.”*

Subject to limited exceptions, any person who produces an agricultural commodity on **converted** wetlands shall be ineligible for various Department of

Agriculture financial programs, including agricultural price supports, farm storage facility loans, crop insurance, disaster payments, and Farmers Home Administration loans relating to the conversion of wetlands.
